,2001 This exciting idea book for designers photographers architects artists and others approaches the art and craft of
graphic design from a unique perspective It examines how the context in which designers work affects the designs they
create In this case the context is Barcelona Spain with its distinct and beguiling combination of geography history and
colorful culture A variety of designs graphic design to fashion architecture to interiors are showcased inside from works in
progress to finished pieces Each illustrates how Barcelona s unique attributes provide inspiration to designers as they work
and affect the outcome of the finished product This approach to design makes Barcelona an idea book unlike any other one
that breaks from tradition surpasses expectations and propels designers imaginations to the cutting edge and beyond **F**
