Will the Dragon King preserve the fragile peace between the kingdoms, or burn it all down for her? The Heirs of the Second Dawn are interconnected standalone fantasy romance novels with no cliffhangers.

Top Agent Aurelia Hilton, 2019-04-10 I've never had much luck with love. I thought that I'd found someone perfect. Sheila was the most beautiful, voluptuous woman on campus. We met by chance, then it was 6 years of bliss. There was just one problem: I was insecure. Don't get me wrong, there's nothing wrong with me. I can please a woman with the best of them. But when Sheila would go out, she was constantly bombarded with guys begging her to date them. She was so perfect, and I was so afraid to lose her. I never made any moves to further the relationship because of this. Then she left me. Sheila left me for another man because I was too scared to propose. That was my mistake. I did some crazy things to stop the pain. When I finally came out of my heartbreak, I went after the dream I'd had before Sheila. I started my own business. Hopefully, I'd meet someone even better than her. I would treat her better, too. Basically, I was a talent scout. I sought out beautiful women and helped them find jobs in the media industry, all legal stuff. But all that would change on the day I got a call from a film producer. But this guy didn't do just any kind of films. The actresses he wanted would need a much more exotic set of skills. Now, when I interview women, it's different than before. They used to sit in front of my desk; now they end up on my desk. Every day, I meet sensual women of all shapes and sizes. In a line of work where we all have to play fast and loose, will I ever find love? **WARNING:** This book is part of Aurelia Hilton's hot, sexy, steamy romance novel. Things will get hot and steamy. Find out what happens when a man craves love because it's hot.
