A fellow Stanford undergrad and fraternity brother of the company's founding trio Gallagher has covered Snapchat from the start. He brings unique access to a company Bloomberg Business called a cipher in the Silicon Valley technology community. Gallagher offers insight into challenges Snapchat faces as it transitions from a playful app to one of the tech industry's preeminent public companies. In the tradition of great business narratives *How to Turn Down a Billion Dollars* offers the definitive account of a company whose goal is no less than to remake the future of entertainment. **Snap Shots**, 1925
