Crimes of Terror Wadie E. Said, 2015-04-08 The U S government s power to categorize individuals as terrorist suspects and therefore ineligible for certain long standing constitutional protections has expanded exponentially since 9 11 all the while remaining resistant to oversight Crimes of Terror The Legal and Political Implications of Federal Terrorism Prosecutions provides a comprehensive and uniquely up to date dissection of the government s advantages over suspects in criminal prosecutions of terrorism which are driven by a preventive mindset that purports to stop plots before they can come to fruition It establishes the background for these controversial policies and practices and then demonstrates how they have impeded the normal goals of criminal prosecution even in light of a competing military tribunal model Proceeding in a linear manner from the investigatory stage of a prosecution on through to sentencing the book documents the emergence of a terrorist exceptionalism to normal rules of criminal law and procedure and questions whether the government has overstated the threat posed by the individuals it charges with these crimes Included is a discussion of the large scale spying and use of informants rooted in the questionable radicalization theory the material support statute the government s chief legal tool in bringing criminal prosecutions the new rules regarding generation of evidence and the broad construction of that evidence as relevant at trial and a look at the special sentencing and confinement regimes for those convicted of terrorist crimes In this critical examination of terrorism prosecutions in federal court Professor Said reveals a phenomenon at odds with basic constitutional protections for criminal defendants Uncertain Justice United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime, Terrorism, and Homeland Security, 2012 United States of America V. Klehman ,1967
