Michael O'Leary A Life In Full Flight:

Michael O'Leary Alan Ruddock, 2008-03-27 Michael O'Leary is a business giant He transformed Ryanair from a loss making joke of an Irish carrier into one of the most valuable airlines in the world and in the process he has revolutionized the very nature of commercial aviation In this the first biography of O'Leary Alan Ruddock portrays the man in three dimensions and examines the business miracle often talked about but poorly understood that O'Leary has wrought Ruddock's fast paced retelling of Ryanair's rise and rise confirms O'Leary's insistence that his success has little to do with the management maxims of business gurus and everything to do with graft and ruthless attention to detail Observer Probably the definitive Ryanair story a good read Sunday Independent The fullest and most accurate picture of O'Leary to date Irish Daily Mail Unlike previous books which simply chart the growth of the airline this one is bound to get under O'Leary's skin because it reveals a great deal about his hugely driven character Irish Independent Ruddock is good on the flavour of the man a bundle of energy whose two favourite words start with an F and an S they aren't flower and sugar Irish Examiner **EBOOK:**
