Abstract: Your paper should include a short abstract of about 100–150 words giving a brief account of the main points of the paper. Please use abstract style using Times New Roman 10 point.

Keywords: Please list main key words.

1. Introduction - Main headings should use Heading 1 style

International journal of Science, Technology, management and education research paper template provides defined styles in order to ensure that the Ijster publications will have a consistent quality. These styles are easy to follow and you can either type your content first and then apply the style or click on the appropriate style prior to typing each section. The first paragraph in each section should use paragraph 1 style.

The title of your paper must use the title style. Please ensure that your title is suitable for publication – it needs to be short and explanatory to ensure that it is interesting to readers. Use mixed case in paper title and headings, i.e. capitalise the first letter of each word with the exception of prepositions, articles and other 'form-words', e.g.: "the", "about" and "in".

As all papers will be double blind peer reviewed, please ensure that no contact details are provided within the text or Properties of the initial paper submitted. All contact details will be submitted online as part of the Registration and Submission Process.

At the final paper stage, the authors' names are included using the Author Name style – first name (mixed case) and surname (capitals)

Contact details are laid out over two lines using the author address style. The first line presents Organisation, Address, City, Postcode, and Country. The second line presents Tel: + countrycode localcode number, Email:

Under the contact details, the abstract section uses the Abstract style. This abstract should provide the reader with a short overview of the main points of your paper. It should not exceed 150 words and should use Times New Roman 10 point.

Each main heading of your paper should use Heading 1 style.

The first paragraph in each section should use paragraph 1 style. Each subsequent paragraph should use paragraph 2 style and use the tab for the first sentence within that paragraph.

1.1 – Sub headings should use heading 2 style

Paragraph 1 style

Paragraph 2 style and use the tab for the first sentence within that paragraph.

All tables and figures should be numbered consecutively (e.g. Table 1, Table 2 or Figure 1, Figure 2 etc.) and not by reference to section numbers. Table captions should be placed above the table while figure captions below the figure (both use caption style). Place tables and figures as close as possible to where they are mentioned in the text and not at the
