

The Rise of Nationalism In Europe

Notes

The Europe we fantasize about today was not even an independent nation back in the 19th century. Do you want to know what ignited the feeling of nationalism in the folks of Europe? Class 10 History chapter on The Rise of Nationalism in Europe will tell you about prominent causes and incidents that lead to the independence of Europe. You may find the chapter elaborative in the NCERT, thus, here we are with simple notes on the topic. These quick notes will help you learn the subject in a better way and serve as the best revision material before board exams.

The Rise of Nationalism in Europe

'Vision of World' by Frédéric Sorrieu. The chapter begins with understanding Frédéric Sorrieu's vision of the world. The accomplished French artist created four prints in 1848, which presents his vision of a dream world based on Social Republics and democracy.

- The first print demonstrates Europeans and Americans travelling and paying homage to the Statue of Liberty as they pass by. Through the print, it was showcased that the Torch of Enlightenment is held by a female figurine one hand and the Charter of the Rights of Man in the other.
- In his utopian world, Frédéric Sorrieu envisioned people of the world being grouped as individual nations, each identified through their national flags and costume.
- In the foreground of the earth lies the devastated remains of the absolutist institutions' symbols.
- He also visualized a procession led by Switzerland and the United States, followed by Germany and France. Following the Germans are the Austrians and the people of the Kingdom of the Two Sicilies, Poland, Lombardy, Ireland, Hungary, England, and Russia.
- Christ, angels, and saints from heaven above watched the scene. This symbolized fraternity among different nations of the world.

As stated in the chapter on The Rise of Nationalism in Europe, during the 19th century in Europe, the sense of nationalism revolutionized the country, bringing radical changes in the political and societal scenarios. This resulted in the concept of the nation-state.

Making of Nationalism in Europe
