### **Chapter 1**

4. Who suggests Crusoe leave home and go on board the ship?

Crusoe has a friend who is going by sea to London in his father's own ship and asks Crusoe to come along.

5. What makes Crusoe forget his vow to return home if God saves him from the first storm?

After the storm, his friend says that it wasn't that bad and suggests that they drink some punch. Crusoe becomes drunk and forgets his vow.

6. How does the second storm differ from the first one?

This is a serious storm that causes even the captain to fear they will all be lost. Crusoe describes the waves as "mountains high"; the hold fills with water and threatens to sink despite their efforts to pump it.

7. How are the men finally saved when the boat sinks?

The captain has been firing guns to signal their need of help and a nearby ship sends out a small boat to bring them off the sinking ship. Instead of trying to get back to the second ship, they row toward shore where people are waiting to help them as soon as they land.

8. How does the ship's master contrast his reasons for going to sea with Crusoe's reasons?

He says this is his "calling," thus using a word that implies it is his destiny or vocation and therefore a duty.
