*Bang* Roosh V, 2007-07-10 *Bang* is a pickup textbook intended for men who weren't born with the natural ability to sleep with a lot of women. It contains simple but powerful techniques, moves, and lines that offer a direct line to casual sex. *Bang* includes: The 8 essential beliefs of the alpha male; The 5 critical components of the vibe an optimal attitude women find most attractive; Tons of natural high impact opening lines that work just about anywhere women can be found; Best answers to a girl's common questions that heighten the tension and build attraction; A technique to get her phone number without asking for it; Detailed text messaging strategy that shows you word for word how to get dates in the shortest amount of time possible; no need to make voice calls; The one text messaging mistake 95% of guys make that kill the interaction; A simple trick for the first date that will make her feel like she has known you longer than she actually has; *Bang* goes into explicit detail on how to escalate to intimacy; Four key moves to the kiss that are so natural and easy to pull off that the girl won't even recognize them as moves; A comprehensive dating strategy so you bang her no later than the third date; The 5 magic words to say when you want to get inside her place; How to make a smooth transition to the bedroom; 7 detailed steps to taking off her clothes; There is also an appendix that covers unique situations you may face; How to approach girls in coffee shops, the gym, and foreign countries; How to prevent a girl from seeing you as too young or too old; A bonus cheat sheet that contains six of the most crucial points you need to remember when it's time to pickup girls; Dozens of additional topics are logically organized into five chapters: Internal Game: How to build your confidence and adopt the correct beliefs that maximize your notch count; Early Game: How to meet women, have good conversations, build attraction, and get either numbers, kisses, or one-night stands; Middle Game: How to set up a date along with what to do and say while out on them; Late Game: How to seal the deal and plan for future dates; End Game: How to take your results to the next level. The lessons taught in this no-nonsense, no-fluff textbook aim to help men reach their sex potential based on their existing look and status. This is the second edition of *Bang*, released in summer 2010. *Bang: More Lays In 60 Days*, **Men's Rights, Gender, and Social Media** Christa

Hodapp, 2017-09-05 This work examines the contemporary men's rights movement (MRM), a mainly online movement that claims men are oppressed by gender norms, women, and feminism. While some feminists and other progressives have dismissed the movement as simple misogyny, this book argues that the MRM expresses a growing cultural trend in male anger and frustration and is an extreme manifestation of what has been previously referred to as a masculinity crisis. In order to assess the implications of the MRM for gender politics, this book explores the movement politically, investigating the ways in which online communication and media outlets have impacted contemporary meanings of identity, gender, language, and political engagement. Furthermore, a discussion of various issues promoted by the MRM, such as parenting, divorce, employment, and violence, provide deeper insights into the issues surrounding masculinity and gender politics in current sociopolitical contexts. **Bang** Roosh Vörek, 2010 *Bang* is a pickup textbook intended for men who weren't born with the

natural ability to sleep with a lot of women Amazon.com Seduction Rachel O'Neill,2018-06-28 Within the so called seduction community the ability to meet and attract women is understood as a skill which heterosexual men can cultivate through practical training and personal development Though it has been an object of media speculation and frequent sensationalism for over a decade this cultural formation remains poorly understood In the first book length study of the industry Rachel O'Neill takes us into the world of seduction seminars training events instructional guidebooks and video tutorials Pushing past established understandings of pickup artists as pathetic pathological or perverse she examines what makes seduction so compelling for those drawn to participate in this sphere Seduction vividly portrays how the twin rationalities of neoliberalism and postfeminism are reorganising contemporary intimate life as labour intensive and profit orientated modes of sociality consume other forms of being and relating It is essential reading for students and scholars of gender sexuality sociology and cultural studies as well as anyone who wants to understand the seduction industry's overarching logics and internal workings

**Not All Dead White Men** Donna Zuckerberg,2018-10-08 Some of the most controversial and consequential debates about the legacy of the ancients are raging not in universities but online where Alt Right men's groups deploy ancient sources to justify misogyny and a return of antifeminist masculinity Donna Zuckerberg dives deep to take a look at this unexpected reanimation of the Classical tradition

**Bang Colombia** Roosh V.,2010-06-16 Bang Colombia is a strategy guide designed to help you sleep with Colombian women in Colombia without paying for it It contains dozens of moves lines and tips learned after six months of research in Medellin where the author dedicated his existence to cracking the code of Colombian women who are more challenging than their Western counterparts In addition to teaching you the differences between Colombian and Western culture it details the logistics of traveling through Colombia tips on studying Spanish a packing guide and recommended nightlife for the country's three largest cities You'll learn three effective methods of meeting Colombian women how to combat their flakey nature how to ask them out via email and phone how to date them how to seal the deal quickly using non obvious shortcuts even if you're staying at a hostel and much more With lines shared in both English and Spanish Bang Colombia aims to be a must read for every Western man visiting the country
