Bodur,2021-06-14 In the meantime over 20 years have passed since I first came into contact with SAP After graduating I
started my first job at an international consulting company During the introductory meeting with my boss he asked me Do
you want to do SAP I can well remember that I just thought Hmm SAP What s that So I left his office without giving him an
answer I promptly went to speak to an experienced colleague Hey Jochen tell me should I do SAP His answer was firm and
precise By all means do it it s a life insurance In these 20 years I have been lucky enough to be involved in several
international SAP projects to help shape the processes of corporations and to meet many interesting people In this book I
have summarized my SAP knowledge in a pointed and systematic way My claim was to convey SAP knowhow that is helpful
but not generally known This reference book will not disappoint you if you are looking for something new on the following
topics SAP GUI tips and tricks SAP IDoc analysis and setup Insider knowledge about SAP customizing Hidden features for
ABAP debugging Important knowhow about message determination Background knowledge on SD processes Batch job setup
