Case Studies in Strategic Management Gunther Friedl, Andreas Biagosch, 2018-09-08 Most business schools use case studies in their courses However these are typically based on past cases and assigned to students to solve This book describes a new approach for teaching with case studies which was developed and applied successfully at TUM School of Management In this approach student teams write and solve their own case study on a topic concerning current and future businesses A case can thus be on their own startup or a strategic decision of existing companies During the course the students receive intensive coaching while selecting and developing the case topic by the course advisors as well as feedback by industry experts and executives for whom the case is actually a burning question The authors present 17 cases covering strategic questions for startups and technology companies such as Deutsche Post BMW Ryanair Lufthansa Stadtwerke München Fielmann adidas Siemens Caribou Biosciences eon Airbus Unicredit and UBS

Strategic Management in Public Services Organizations Ewan Ferlie, Edoardo Ongaro, 2015-02-20 Strategic Management in Public Services Organizations sets out to connect the two traditionally disparate academic literatures of public management and strategic management The authors argue that some models of strategic management are now of enhanced relevance for contemporary public services organizations especially

when considering successive New Public Management reforms This observation has important consequences for the requisite work practices skills and knowledge bases of current public managers as they are increasingly being asked to act as strategic as well as operational managers Strategic Management in Public Services Organizations takes a strongly comparative and international perspective in addressing the fundamental issue of strategic management within diverse public administrative traditions The impact of strategic management on the performance of public agencies is examined and it is argued that the appropriate use of strategic management models depends on the politico administrative and cultural contexts of the public services organization in question concluding that there is no single best way to strategically lead public organisations This is an advanced textbook aimed at the postgraduate level particularly students on MPAs and MBAs with a public sector option or MScs in Public Policy and Public Management *Trends, Challenges, and Practices in Contemporary Strategic Management* Mizrak, Filiz, 2024-01-10 Modern business dynamics are an intricate and strategic landscape that underpins organizational triumphs despite today's turbulent market Those fervently exploring the symbiosis of theory and reality within the strategic realm of contemporary strategic management require a solid understanding of the concept and they can now enhance this journey with *Trends Challenges and Practices in Contemporary Strategic Management* This seminal work unfurls a tapestry of erudition guiding its readers through the corridors of contemporary strategic management Targeting a diverse readership encompassing academicians researchers students and industry leaders the book's scope is as expansive as its subject matter For scholars and researchers its pages unfold a treasure trove of contemporary strategic management theories their evolution and cutting edge practices Practitioners entrusted with steering strategic compasses will glean a pragmatic arsenal of insights and best practices their leadership acumen fortified to navigate the most tempestuous waters of organizational strategy Covering from disruptive innovation and strategic leadership in a digital epoch to sustainability global strategy and the pivotal role of artificial intelligence in shaping strategies this book mirrors the ever evolving cadence of contemporary strategic management **Case Solutions Manual** Fred R. David, 1998-12 This edition presents updated coverage of international strategy with revised cases and concepts organized by industry
