## **The Iceman Philip Carlo:**

*The Ice Man* Philip Carlo, 2007-04-01 Philip Carlo's *The Ice Man* spent over six weeks on the New York Times Bestseller List. Top Mob Hitman. Devoted Family Man. Doting Father. For thirty years, Richard "The Iceman" Kuklinski led a shocking double life, becoming the most notorious professional assassin in American history while happily hosting neighborhood barbecues in suburban New Jersey. Richard Kuklinski was Sammy the Bull Gravano's partner in the killing of Paul Castellano, then head of the Gambino crime family at Sparks Steakhouse. Mob boss John Gotti hired him to torture and kill the neighbor who accidentally ran over his child. For an additional price, Kuklinski would make his victims suffer; he conducted this sadistic business with coldhearted intensity and shocking efficiency, never disappointing his customers. By his own estimate, he killed over two hundred men, taking enormous pride in his variety and ferocity of technique. This trail of murder lasted over thirty years and took Kuklinski all over America and to the far corners of the earth: Brazil, Africa, and Europe. Along the way, he married, had three children, and put them through Catholic school. His daughter's medical condition meant regular stays in children's hospitals, where Kuklinski was remembered not as a gangster but as an affectionate father, extremely kind to children. Each Christmas, found at the Kuklinski home festooned in colorful lights, each summer was a succession of block parties. His family never suspected a thing. Richard Kuklinski is now the subject of the major motion picture titled *The Iceman*, 2013, starring James Franco, Winona Ryder, Ray Liotta, and Chris Evans.

**The Butcher** Philip Carlo, 2014-05-01 He was like a vampire. We believe he killed over sixty people. James J. Hunt, Assistant Special Agent, New York DEA, 9 July 1990: the DEA makes the gruesome discovery of nine bodies dismembered, stuffed into cheap suitcases, and buried in a secluded bird sanctuary near Gravesend, Brooklyn. It was Tommy Pitera's personal cemetery. When John Gotti put out a contract on informer Willie Boy Johnson, Pitera took it; he shot him fourteen times in broad daylight outside his home. Pitera not only murdered for the mob, he took pleasure in killing and did so at whim; the slightest insult could provoke him, and he killed friends, associates, anyone who got in his way. A cold-blooded homicidal maniac with a fascination for the macabre, he had an autopsy table in his basement and regularly dismembered his

victims expertly cutting them into six pieces the arms legs torso and head Convicted for six murders he is believed to be responsible for over sixty Philip Carlo author of the bestseller the Iceman reveals the horrendous crimes of drug kingpin and merciless mob killer thomas Pitera and the New York DEA s three year battle to bring him to justice **The Rough Guide to True Crime** Cathy Scott,2009-08-31 The Rough Guide to True Crime is the complete compilation of crime s most notorious villains heinous acts and shocking misdemeanors The Rough Guide to True Crime in a new ePub format provides an unusually wide coverage of crime s most appalling occurrences combining in depth accounts of the most infamous to the lesser known crimes from conmen to cyber crime with at a glance fact files throughout From the Moors murders and Harold Shipman to the murder of Tupac this guide illuminates the psychology in play behind the most intriguing crimes in history from the absurd to the appalling Written by award winning journalist and author Cathy Scott the book features extensive black and white still photographs and profile boxes by forensic expert Professor Louis B Schlesinger explaining the psychology of serial killers hit men burglars and various types of murderers Lesser violations provide a lighter touch including Paris Hilton s traffic transgressions and Winona Ryder s shoplifting fetish The Rough Guide to True Crime explores the best of the haunting genre of True Crime thrilling the armchair voyeur and amateur criminologist alike [The Killer Within](#) Philip Carlo,2010 Insightful memoir by the bestselling author of The Ice Man **Our Class** Chris Hedges,2021-10-19 A powerfully moving book that could make graspable why today s prisons are contemporary slave plantations Alice Walker author of The Color Purple giving voice to the poorest among us and laying bare the cruelty of a penal system that too often defines their lives Pulitzer Prize winning journalist Chris Hedges has taught courses in drama literature philosophy and history since 2013 in the college degree program offered by Rutgers University at East Jersey State Prison and other New Jersey prisons In his first class at East Jersey State Prison where students read and discussed plays by Amiri Baraka and August Wilson among others his class set out to write a play of their own In writing the play Caged which would run for a month in 2018 to sold out audiences at The Passage Theatre in Trenton New Jersey and later be published students gave words to the grief and suffering they and their families have endured as well as to their hopes and dreams The class s artistic and personal discovery as well as transformation is chronicled in heartbreaking detail in Our Class This magnificent Cornel West author of Race Matters book gives a human face and a voice to those our society too often demonizes and abandons It exposes the terrible crucible and injustice of America s penal system and the struggle by those trapped within its embrace to live lives of dignity meaning and purpose [The Polish American Encyclopedia](#) James S.
