**America's Boy** Wade Rouse, 2025-05-27 A revelatory story about acceptance pride and the many ways even a seemingly prejudiced family can surprise us by the bestselling author of *Magic Season* The Washington Post Indie Next List Great Read Selection American Library Association's Inaugural Rainbow List Selection In this memoir writer and journalist Wade Rouse delivers a humorous and heartwarming account of his Midwestern childhood and coming of age as a gay man Born in Granby a small farm town in the southwest Missouri Ozarks Wade was a fish out of water as long as he could remember or at least since he participated in his family's mock Miss America pageant when he was just five years old clad in his grandmother's red whore heels and his mother's black and white polka dot bikini Life didn't get easier in Wade's conservative hometown especially after his older brother died just a month after Wade graduated junior high school It was then that Wade buried his brother and his sexuality so his parents wouldn't mourn the loss of a second son Finally after years of a descent into obsessive compulsive behaviors and overeating Wade was able to come out to himself losing weight and gaining confidence until he had nothing left to hide Filled with memories of happiness and heartbreak *America's Boy* is both a quirky tribute to Rouse's rural Ozark family and an easily digestible homespun tale of a bygone era in Middle America Time Out Chicago A storyteller and a memoirist in the best sense of the words Reading Rouse's memoir is more like sitting with a good friend and a cold beer trading stories and remembering those things that may have been painful or tragic at the time but must now be respected for what they are Metro Weekly *The American Experiment* David M. Rubenstein, 2021-09-07 Pulitzer Prize winning historians diplomats music legends and sports giants explore the grand American experiment in democracy culture innovation and ideas revealing the setbacks suffering invention ingenuity and social movements that continue to shape our vision of what America is and what it can be Publisher's description [Crash Course in Readers' Advisory](#) Cynthia Orr, 2014-12-05 One of the key services librarians provide is helping readers find books they'll enjoy This crash course will furnish you with the basic practical information you need to excel at readers advisory RA for adults and teens The question can you recommend a good book can be one of the most daunting you face notwithstanding the fact that recommender tools are ubiquitous Often uncertainty arises because although librarians are called on to perform such services daily readers advisory is a skill set in which most have no formal training This guide will remedy that It is built around understanding books reading and readers and will quickly show you how to identify reading preferences and advise patrons effectively You'll learn about multiple RA approaches such as genre appeal features and reading interests and about essential tools that can help with RA Plus you'll discover tips to help you keep up with this ever-changing field There is no other professional book that covers the full spectrum of skills needed to perform the RA service that is in such great demand in libraries of all kinds Helping readers find what they want is a sure way to serve patrons and build your library's brand You will come away from this easy to understand crash course with the solid background you need to do both **It Wants Us Alive** Rebecca

Cantrell,2025-03-11 From the co author with James Rollins of the New York Times bestselling series starting with THE BLOOD GOSPEL comes another tale of pulse pounding supernatural horror They say life begins at fifty but for Hazel Byrne demon hunter and certified badass life gets a hell of a lot harder After barely surviving an attack that left her partner dead and her body broken she s ready to retire Then whispers reach her of an underground facility overrun by demons summoned by a religious cult obsessed with angels So she gets ready for one final mission Because the thing that killed her partner It s back And it brought an army Armed with her battle scarred harp an ancient weapon of untold power and her ever loyal falcon she heads into the fight alongside an elite squad of skeptical Hellstalker marines They refuse to take orders from a woman with a musical instrument strapped to her back But when the facility s walls start dripping demonic mist and screams ring through the darkness they learn fast that Hazel isn t some washed up hunter She s their best shot at getting out alive Demons don t care about hot flashes aching joints or the ghosts that haunt her They only care about blood And she has plenty left to spill IT WANTS US ALIVE delivers pulse pounding action razor sharp wit and a hero who proves that age is just a number when you ve got demons to kill Rebecca Cantrell pivots with her latest thriller IT WANTS US ALIVE into a bloody landscape of a world under siege If Lovecraft had crafted a modern story with a conflicted female hero it might look very much like this throat clutching story of horror and mayhem Lightning paced with characters that grab at your heart every page demands the next one be turned until the story finally lets you go Don t miss this stunning turn by an award winning author James Rollins 1 New York Times bestseller
