Exploring Management John R. Schermerhorn, 2011-10-11 The primary goal of this edition of Exploring Management is to help build core management competencies for today's global and more complex workplace including issues related to planning, organizing, leading, and controlling. POLC with more hands-on type materials such as cases, exercises, and application. Schermerhorn uses a conversational and interactive writing style to master concepts in a bite-size and fundamental approach. This text presents managerial concepts and theory in a straight-forward, interesting style with a strong emphasis on application. The discussion of theory is framed in a unique, engaging, and concise way. The goal is to promote critical thinking and ability to make sound business decisions using managerial theory. Concepts are explored and reinforced by most hands-on applications, exercises, cases, and the integration of technology. The text also focuses on the most important aspects of the POLC model, emphasizing skill building. [Targeting Websites Dedicated to Stealing American Intellectual Property](#) United States.
