Student Loans and the Dynamics of Debt Brad Hershbein, Kevin M. Hollenbeck, 2015-02-23 The papers included in this volume represent the most current research and knowledge available about student loans and repayment It serves as a valuable reference for researchers and policymakers who seek a deeper understanding of how why and which students borrow for their postsecondary education how this borrowing may affect later decisions and what measures can help borrowers repay their loans successfully

Access to Justice in Rural Communities Daniel Newman, Faith Gordon, 2023-05-04 This book offers insight on access to justice from rural areas in internationally comparable contexts to highlight the diversity of experiences within and across rural areas globally It looks at the fundamental questions for people s lives raised by the issue of access to justice as well as the rule of law It highlights a range of social geographic and cultural issues which impact the way rural communities experience the justice system throughout the world with chapters on Australia Canada England Ireland Kenya Northern Ireland South Africa Syria Turkey the USA and Wales Each chapter explores three questions 1 How do people experience the institutions of justice in rural areas and how does this rural experience differ to an urban experience 2 What impact have changes in policy had on the justice system in rural areas and have rural and urban areas been affected in different ways 3 What impact does the law have on people s lives in rural areas and what would rural communities like to be better understood about their experience of the justice system By bringing in the voices and experiences of those who are often ignored or side lined by justice systems this book will set out an agenda for ensuring social justice in legal systems with a focus on protecting marginalised groups

Political Agendas for Education Joel Spring, 2017-07-14 Following the epic contentious 2016 presidential election Joel Spring s ongoing documentation and analysis of political agendas for education reflect the major political issues since 2012 Here he examines the 2016 education planks of the Republican Democratic Libertarian and Green Parties using their official platforms and other statements speeches given by each candidate and media reports and publications Each party s position is linked to previous political movements in education Spring offers an alternative agenda for American schools including a proposed education amendment to the U S Constitution and replacing human capital agendas with goals emphasizing education for a long life and happiness Taking a fresh look at the social and political forces educational research and ideologies shaping their educational agendas and a comparative approach the book stimulates reflection and discussion Updates and changes in the Sixth Edition Betsy DeVos s education agenda supporting vouchers free market competition and for profit schools and its relationship to the education section of the 2016 Republican platform The important role religion and culture played in the evolution of Republican education policies after the school prayer and Bible decisions of the 1960s The influence of human capital economics on Democratic education proposals How No Child Left Behind and Democratic President Barack Obama opened doors to the growth of the for profit education industry and investment bankers The 2016 Democratic positions on

the cost of higher education and student loan debts The Democratic left as represented by the 2016 campaign of Democrat Bernie Sanders and his influence on the presidential candidate Hillary Clinton and the Democratic Party platform The education proposals of the Green and Libertarian parties **Kiplinger's Personal Finance** ,2006-02 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics Hearings, Reports and Prints of the House Committee on Education and Labor United States.
