The God Life Janet Brazee,2017-06-01 Life Not as Usual You were not created to live a dull ordinary defeated life In fact if your life seems boring and ordinary you have not tapped into The God Life you were meant to live This earth and everything in it was made for you You were told to rule and reign and God has given you purpose and power to carry it

Abundant Life for Your Spirit, Soul and Body Trevor Bartley,2017-03-29 Our opening verse for this book is from John 10 10b I came that they may have and enjoy life and have it in abundance to the full till it overflows The Greek word used here for life is zo So we can conclude that Jesus came to show us how to have and enjoy the god kind of life As a born again believer you have been recreated and given a new life code or DNA to live by and Jesus came to show us how to live that new creation reality here on earth The Bible tells us in John 3 16 For God so greatly loved and dearly prized the world that He even gave up His only begotten unique Son so that whoever believes in trusts in clings to relies on Him shall not perish come to destruction be lost but have eternal everlasting life Then in Romans 6 23 it tells us For the wages which sin pays is death but the bountiful free gift of God is eternal the god kind of life through and in union with Jesus Christ our Lord This eternal life he came to give us is the very nature of God In John 1 4 we can get a better understanding of what this life will do for us In Him was Life and the Life was the Light of men One of the meanings for light in the dictionary is a state of understanding or awareness So we could read this verse like this in him was

the god kind of life and the god kind of life was the state of understanding and awareness for men Let us live out of the zo kind of life and determine to be led by the spirit of God in all that we do so we can live in the actual abundance of God Amen

Soaring with Eagles James Gibson,2011-09-23 Soaring With Eagles is a book of devotional meditations upon the book of James It helps us to deal with our trouble and suffering I want to be in the line in Heaven waiting to talk to James about his book I want to recite my heartbreaks and ask James Should I have been happy about these I already anticipate his response Yes for suffering stretches you and brings all the character that God has already placed within you to the surface or it diminishes you because you do not see its intended purpose and accept it The growth that suffering awakens in us will produce real faith which shows itself in ministry to the poor disenfranchised downtrodden and needy people around us This book is for all those who want to become real Christians instead of plastic Christians All who yearn for true greatness should benefit from reading Soaring With Eagles Readers should learn to laugh when suffering comes their way knowing that suffering can be a gift from God Soaring With Eagles should prepare readers for the time when life tumbles in And when it does we will be drawn toward God instead of retreating away from Him

Answers to Life's Foundational Questions,2014-12-15 From page to page the attentive reader will not escape a stir of one s inner essence regarding the fundamental issues of life He opens the lid to life s essentials inviting thorough considerations to the origin of the universe the potential vested in each human life and the bubble of the evolution theory and so called science This discourse is for those searching for answers and inspiration It will call the frivolous soul to attention and demand duty from its bearers It s a wakeup call to the slothful and a harsh reminder to the proud But it s more than that this book identifies with all who are poised to accomplish their dreams It unleashes a strong sense of purpose that would resurrect lost aspirations and ignite flames of achievement and eternal outcomes The issues raised demand your thorough attention if you will profit from the wisdom shared They are instructive to the thinking mind This book is a treasure field But it must be mined So while you read heed the urge to purposefully pause reflect and precipitate the cogitations of your mind It will do you eternal good
