The Great Controversy & the Bible Made Plain Ellen G. White,2016-01-27 Since the beginning of the world s history there have been two supernatural powers contending for supremacy of the world the one seeking to establish a kingdom built on laws of love and truth the other on the alaws of selfishness and deception This warfare involving the entire universe touches every life In fact this earth has become the final battleground where the powers of evil and the powers of good have met to demonstrate before humanity and the unseen intelligence of other worlds whose right it is to rule the expanse of creation These two contending powers are Christ and Satan and the great and final battle the battle to end all battles is right now being fought before our very eyes The Great Controversy unveils these two forces at work in human history and in the events that are soon to change

the course of this world forever The Bible Made Plain is a verse by verse study of nineteen of the most important subjects of Scripture highlighting the truths of the greatest consequence of all living in these last days before Christ returns as King of kings and Lord of lords the rightful ruler of earth and heaven **The Battle for Your Heart** Ronald W. Busby, I am encouraged by the author's appeal from the beginning to the end of his book for readers to be aware of their personal relationship with Christ Dr Busby shows throughout that God's prophecies and promises found fulfillment in a history I can check for myself That being true for the past I can also rest assured that what God has promised and predicted for the future will happen without fail in His own time and way Rhoda Wills Retired Teacher Dr Busby's The Battle for Your Heart is not only a good read but an excellent book to add to your library Whether you've studied the book of Revelation for many years or have never given it your personal study this thought provoking verse by verse walk through Revelation's 22 chapters includes not only details you may have missed in your earlier studies but adds a big picture dimension to this last book of the Bible I was blessed Judi Seeders Retired from Review and Herald Publishing Association A must read for every Adventist who is looking for the soon return of Jesus You will be challenged and will understand how to be prepared for the soon appearance of our Lord and Savior The Battle for Your Heart is an excellent study for any individual for family worship and small group study Gail V Lane Head Deaconess Retired Business Owner I am amazed by this book Ron Busby's use of the Bible and the Spirit of Prophecy is both informative and clear The Battle for Your Heart takes the reader through the books of Revelation Daniel and Ezekiel along with supportive information I not only gained greater insight into the raging controversy that surrounds us today but found throughout every page God's deep everlasting love for us shining through Larry Sharon Church Elder **Christ of the Revelation, His Message to the Church and the World** Jean Rudolf Zurcher,1980

Seventh-day Adventist Attitudes Toward Roman Catholicism, 1844-1965 Reinder Bruinsma,1994 From its beginnings the Seventh day Adventist Church has emphasized apocalyptic prophecy and the role of Roman Catholicism in the biblical books of Daniel and Revelation In this first major study of the topic Bruinsma looks at the origin and unique features of Seventh day Adventist attitudes toward the Roman Church examines factors which explain these continuing views and analyzes Adventism's place in Protestantism Sharing the Book John Witte,Richard C. Martin,1999 **The Seventh-Day Adventist Church in Latin America and the Caribbean: Bear the news to every land** Floyd Greenleaf,1992 **The Last Trump** Ingemar Lindén,1978 This study is the first serious scholarly presentation of Adventism The author discusses the world wide Adventist denomination from its origin in Miller's spectacular apocalyptic revival in the 1840s The main concern in the work is devoted to the talented visionary Ellen G White Her development and importance is analysed also in psychological terms The book is based on an impressive share of formerly not consulted primary material The author is sympathetic towards the S D A Church but aims hard at an unprejudiced presentation **The Great Controversy** Ellen Gould Harmon White,2016-09-19 This edition of The Great Controversy Ellen White's history of Christianity is unabridged
