Savarkar (Part 2)

Vikram Sampath, 2021-07-26

Was Savarkar really a co-conspirator in the Gandhi murder? Was there a pogrom against a particular community after Gandhi's assassination? Decades after his death, Vinayak Damodar Savarkar continues to uniquely influence India's political scenario.

An optimistic advocate of Hindu-Muslim unity in his treatise on the 1857 War of Independence, what was it that transformed him into a proponent of Hindutva? A former president of the All India Hindu Mahasabha, Savarkar was a severe critic of the Congress's appeasement politics.

After Gandhi's murder, Savarkar was charged as a co-conspirator in the assassination. While he was acquitted by the court, Savarkar is still alleged to have played a role in Gandhi's assassination, a topic that is often discussed and debated.

In this concluding volume of the Savarkar series, exploring a vast range of original archival documents from across India and outside it in English and several Indian languages, historian Vikram Sampath brings to light the life and works of Vinayak Damodar Savarkar, one of the most contentious political thinkers and leaders of the twentieth century.

Savarkar

Vikram Sampath, 2019-08-16

As the intellectual fountainhead of the ideology of Hindutva, which is in political ascendancy in India today, Vinayak Damodar Savarkar is undoubtedly one of the most contentious political thinkers and leaders of the twentieth century.

Accounts of his eventful and stormy life have oscillated from eulogizing hagiographies to disparaging demonization. The truth, as always, lies somewhere in between and has unfortunately never been brought to light.

Savarkar and his ideology stood as one of the strongest and most virulent opponents of Gandhi, his pacifist philosophy, and the Indian National Congress. An alleged atheist and a staunch rationalist who opposed orthodox Hindu beliefs, encouraged inter-caste marriage and dining, and dismissed cow worship as mere superstition, Savarkar was arguably the most vocal political voice for the Hindu community through the entire course of India's freedom struggle.

From the heady days of revolution and generating international support for the cause of India's freedom, as a law student in London, Savarkar found himself arrested, unfairly tried for sedition, transported

and incarcerated at the Cellular Jail in the Andamans for over a decade where he underwent unimaginable torture. From being an optimistic advocate of Hindu Muslim unity in his treatise on the 1857 War of Independence, what was it that transformed him in the Cellular Jail to a proponent of Hindutva which viewed Muslims with suspicion? Drawing from a vast range of original archival documents across India and abroad, this biography in two parts, the first focusing on the years leading up to his incarceration and eventual release from the Kalapani, puts Savarkar's life and philosophy in a new perspective and looks at the man with all his achievements and failings.
