

A Freemason's 33rd Degree Initiation

Excerpt from Jim Shaw's book: *The Deadly Deception*, pp. 99 - 109

INTO THE LIGHT

The hurricane came and went without any harm to us. But the one within me continued to gather force. It seemed strange, from my point of view, for all the people around me seemed calm. Even the doctor was no longer speaking much to me about the Lord, for I wasn't seeing him regularly. Bonnie was quietly supportive, but we really didn't say much about it. Mike and my other friends went on with life. It was "business as usual" around me, but definitely not that way inside of me.

THE HIGHEST MASONIC DEGREE

Easter was approaching and one quiet morning I was at home recuperating from the second operation when the doorbell rang. It was a special delivery letter from the Supreme Council in Washington, notifying me that I had been selected for the 33rd Degree.

I could hardly believe it was true! This honor is one most Masons never even think of receiving. It was too much, too far out of reach, beyond limits of reality. It was unreal to think I had actually been selected. It was an honor just to be considered for this ultimate degree and I had actually been selected, chosen by that small and powerful group, the Supreme Council of the 33rd Degree.

I called Bonnie to share the good news with her. In talking with her, I surprised myself by asking her if she thought I should accept it "What a strange thing to ask her," I thought. But before I could contemplate it she said, "Why, sure you should accept it. You have worked so hard for so long to get there - by all means you should accept it."

So I returned my acceptance immediately and began making plans for the trip.

I MADE IT ON MY OWN

With plenty of time to reflect, I thought about my long climb up the mountain of Masonry in search of light. I thought about the odds against anyone's ever making it to the 33rd Degree. I realized that in my case the odds have been even greater. I had made it by hard work and dedication alone. Some men have an edge on selection because of their wealth, political power or prominence. I had none of these.

Like the day I had carried the man all the way to the top of "Shaw Hill" between Camp Butner and Raleigh, I had made it to the top of the Masonic mountain because I was willing to make the effort required and refused to quit. Thinking of this, I felt particularly good about it and wished my mother could know.

I had come a long way since leaving the front gate that terrible day so many years ago. I had come the distance with no help from Uncle Irvin. Who would have thought that the lonely walk, begun so many years ago by that frightened
