Literature and Social Media Bronwen Thomas,2020-01-31 From Instapoetry to BookTube contemporary literary cultures and practices are increasingly intertwined with social media In this lively and wide ranging study Bronwen Thomas explores how social media provides new ways of connecting with and rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of creative expression The book takes a 360 approach to the subject combining analysis of current forms and practices with an examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks and demonstrating how the participatory practices of social media have the potential to radically transform how literature is produced shared and circulated The first study of its kind to focus specifically on social media *Literature and Social Media* provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies discussion of the new in this context

Memphis Ginger Scott, 2018-02-23 My mom always said it was just something about the way he moved The same swagger Archie Valentine wore in the ring when he took his opponents down followed him like a halo everywhere he went But make no mistake about it he was no angel He was like a drug My mother was his addict I never understood it how love could make you blind and convince you to drink the poison Not until I met Memphis Delaney At first it was the familiar form He's a fighter built like a god from the past the kind of man the universe doesn't make anymore His eyes hide a story and every time I'm in his presence I want to keep reading him until I get to the end And then there's the way he moves His boxing is violent but beautiful and his body is a seductive weapon When he's in the ring he wears the stare of a man committed to the battle until his very last breath He could end me turn me into her Too much of him will leave me

as a shadow and I've lost so much of myself already But I have discipline It came the hard way Lessons learned scars left behind and trust stripped away from life I will breathe his air but I won't fall for a man like him The only boxer who's ever going to break my heart is the one who gave me my name

If Something Happens to Me Alex Finlay, 2024-05-28 From one of the genre's most exciting voices E News comes one of the year's most anticipated thrillers For the past five years Ryan Richardson has relived that terrible night The car door ripping open The crushing blow to the head The hands yanking him from the vehicle His girlfriend Ali's piercing scream as she is taken With no trace of Ali or the car a cloud of suspicion hangs over Ryan But with no proof and a good lawyer he's never charged though that doesn't matter to the podcasters and internet trolls Now Ryan has changed his last name and entered law school He's put his past behind him Until on a summer trip abroad to Italy with his law school classmates Ryan gets a call from his father Ali's car has finally been found submerged in a lake in his hometown Inside are two dead men and a cryptic note with five words written on the envelope in Ali's handwriting If something happens to me Then halfway around the world the unthinkable happens Ryan sees the man who has haunted his dreams since that night As Ryan races from the rolling hills of Tuscany to a rural village in the UK to the glittering streets of Paris in search of the truth he has no idea that his salvation may lie with a young sheriff's deputy in Kansas working her first

Her style and voice is striking, familiar, foreign, unsettling, and hypnotic all at once. Award-winning author and poet Sophia Hanson says, "I can feel it in my roots. I gave birth in a nightmare to unlovable things. They breed in my belly, tiny birthdays every day. I am the undead mother to every single bit of black in this skin. Prison, my lovers have choked on." Goodreads Choice Nominated poet J R Rogue's second poetry collection *Tell Me Where It Hurts* is a raw, heartbreaking, and honest glimpse into the demons she has faced in her life. Centering on mental health awareness and the strength to survive childhood abuse, the bestselling author brings to light many of the silent and brutal struggles men and women face. [I Love You, I Need Him](#) J. R. Rogue, 2020-11-03. Brooklyn. I learned early in life to build walls around my heart. After my mother died, before my father went to jail, I'd give anything to make sure the people I love know it. So when my boss hires a tall, tattooed Irishman to work alongside me, I vow to keep things professional. Especially when I find out he's a widower. But when my violent past threatens my future, I find myself closer to Declan than I planned to be. You want to sleep in my bed. The walls around my heart are high, but the arms around my body are strong. And I've convinced myself he can save me from the coming storm. Declan, I escaped New York for Tennessee to have a clean slate. From my vices. From my ghosts. But my new boss has the kind of eyes you can't look away from. And the kind of laugh that threatens to pull you from the dark. It's just chemical, what you're feeling right now. I tell myself I'm just being a good friend when I let her stay in my room. But the lies we tell ourselves are the hardest to overcome. I thought I knew what it was like to be haunted by someone. I was wrong. I don't know shit. My attempt at starting over has led me to my greatest fear. Love can never make me weak again. And I can't fall for a girl who looks like the sun when I'm the goddamn storm. **Deception of Destiny** Nelson Roland, 2022-03-18. Winner of the Goodreads Choice Award for Fiction.
