

Morning Work- The Last 90 Days

This workbook was created to support students as they grow into confident, capable, and independent young adults—one skill at a time. With just 15–20 minutes a day, students will build social communication skills, learn how to navigate real-world situations, and reflect on their own habits, choices, and goals.

Each daily page includes a short, realistic conversation, comprehension questions, social reflections, functional math, functional reading and writing practice, and journaling prompts that are easy to complete independently or in small groups. Whether you're starting the school day, transitioning between activities, or using it as a daily SEL check-in, this workbook is ready to slip easily into your routine.

Why it works:

- **Easy to start the day** — Just open to today's page and begin. No prep needed!
- **Student-friendly format** — Repetition and structure support confidence and comprehension.
- **Real-world relevance** — Each skill connects directly to school, home, work, or the community.
- **Supports IEP goals** — Aligned with social, behavioral, and transition planning targets.
- **Teacher-approved** — Builds strong routines while providing meaningful discussion and skill growth.
