Official Gazette of the United States Patent and Trademark Office ,1998 *Chill Factor* David Paitson,Craig

Merz,2015-03-03 The city of Columbus Ohio had always struggled to support any professional sports franchise It s a town where Ohio State University reigns supreme and everything else is less important That was until 1991 when the Columbus Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the talk of the city and gained a religious local fan base Based on the success of the Chill from 1991 99 the city of Columbus was awarded with the Columbus Blue Jackets in 2000 the city s own NHL franchise Chill Factor follows the wild ride through the eyes of team president and general manager David Paitson from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world class arena and emerge from the shadow of OSU There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill Chill Factor takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the ice This thrilling account will appeal to those who remember the Chill s reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

Hockey Gods Nicholas J. Cotsonika,2002 In the tradition of John Feinstein s best selling *A Season on the Brink* Nick Cotsonika will draw back the curtain on one of the most compelling stories in the history of sports Never before has an NHL team brought together such a dazzling number of big names Chris Chelios Sergei Fedorov Dominik Hasek Brett Hull Igor Larionov Nicklas Lidstrom Luc Robitaille Brendan Shanahan Steve Yzerman And of course legendary coach Scotty Bowman With this unprecedented talent comes the potential of unprecedented problems competition for playing time and limelight the burden of expectations in a Stanley Cup crazy place like Detroit a city that calls itself Hockeytown With access to the players and coaches Cotsonika will be witness to it all how the players deal with themselves how they clash with the mercurial Bowman how they handle being part of the richest payroll in the sport s history thanks to deep pocketed

aggressive owner Mike Ilitch Cotsonika will provide in sharply engaging fashion many details of a season in the NHL usually hidden from view Love and Miss You Sue Ellen Dunlap,2012-09 Michael Patrick Dunlap my second son was only twenty years old and attending the Indiana University of Pennsylvania when his life changed forever These college years should have been some of the best years of his life Having to worry about cancer should not have been his main concern His goal was to become a college professor after completing both his master s and PhD programs This is my son Michael s story He had hoped to write a book himself but brain cancer had other plans I hope to do the story justice with the help of Michael s love and spirit Sue Ellen Dunlap In Mike s Words What a Difference a Year Makes In late November and December the most skilled team of doctors in the world put my life back together Because of them and because of the strength of myself and most importantly the people around me I can now walk down the sidewalks of Indiana without a care in the world listening to the sweet tunes of Jimmy Eat World and staring at the picturesque world around me This is the story of how my life unexpectedly unfolded *The Ice Chips and the Magical Rink* Roy MacGregor,Kerry MacGregor,2018-02-27 If you could travel through time who would you want to meet Lucas Finnigan eats sleeps and breathes hockey With his friends Edge Swift and Crunch Lucas plays on his hometown s rink dreaming of the day when he knows he ll make the NHL But lately money has been tight at home and after a major growth spurt Lucas is forced to wear hand me down gear that doesn t quite fit right Now he s not sure he ll ever make it to the Hall of Fame like his hockey heroes And that s not the only problem With the community arena s chiller on the fritz and replacement parts too tough to come by it looks like Lucas and his friends may be doomed to a season on a plastic rink or worse no hockey at all But with a magical discovery and some help from one of hockey s greatest players who was a kid once too their final skate might turn into their first great adventure *Ice Capades* Sean Avery,Michael McKinley,2017-10-24 One of Sports Illustrated s Best Sports Books of 2017 Controversial hockey star Sean Avery s no holds barred memoir of high living and bad behavior in the NHL coupled with the behind the scenes glitter of celebrity and media nightlife in New York and LA As one of the NHL s most polarizing players Sean Avery turned the rules of professional hockey on its head For thirteen seasons Avery played for some of the toughest most storied franchises in the league including the Detroit Red Wings the Los Angeles Kings and the New York Rangers making his mark in each city as a player that was sometimes loved often despised but always controversial In *Ice Capades* Avery takes his trademark candidness about the world of pro hockey and does for it what Jim Bouton s game changing *Ball Four* did for baseball Avery goes deep inside the sport to reveal every aspect of an athlete s life from what they do with their money and nights off to how they stay sharp and competitive in the league While playing the talented villain in the NHL Avery broke far away from his on ice character in the off season and *Ice Capades* takes the reader inside the other unexpected and unprecedented roles that Avery inhabited Vogue intern fashion model advertising executive restaurateur gay rights advocate and many more Love him or hate him Sean Avery changed the way professional hockey is played today Rollickingly honest and compelling
