Readings On The Rhetoric Of Social Protest:

Readings on the Rhetoric of Social Protest Charles E. Morris, Stephen H. Browne, 2006 Rhetoric for Radicals Jason Del Gandio, 2008-11-01 Rhetoric for Radicals is intended for college aged activists and organizers and for the most part it is written in a relaxed approachable style It does get a bit cerebral and academic in places in demonstrating how the book builds on the previous literature but this material is kept to a minimum On the whole Rhetoric for Radicals is an invaluable comprehensive how to book that will greatly benefit beginning and seasoned rhetors alike Rhetoric for Radicals concludes on a hopeful note with the wish that its activist readership will internalize the book's rhetorical tools and tactics and will be that much better equipped to become the rhetors of the past who created the future And indeed there can be but little doubt that this thorough well organized accessible and even personal little handbook is the best instrument imaginable for fulfilling this purpose Frank Kaminski Energy Bulletin net Radicals have important messages to deliver but they are often so caught up in the passion of their causes that they lose sight of effective communication which is their most powerful tool The ability to speak with clarity and intelligence without underestimating the challenge of breaking new ground and winning new converts is crucial Activists often suffer from a credibility gap because of their lack of a coherent message and strategic delivery Rhetoric for Radicals addresses and helps solve these problems It provides the tools to develop the all important communication skills necessary to be effectively heard If you accept that communication creates the social world then you will agree that changing the way we communicate can change the world Rhetoric for Radicals provides practical guidelines for public speaking writing conversation persuasion political correctness propaganda analysis street theatrics and new languages Chapters include Streets Rhetoric and Revolution A Call for Rhetorical Action Skills for the Multitude The Power of Language Body Rhetoric Twenty First Century Radical Rhetoric Geared to college aged radical activists and organizers this book will also appeal to activists of any age who want to sharpen their message Jason Del Gandio is a lecturer at Temple University in Philadelphia He is a post Seattle activist who has worked on globalization and free fair trade issues anti war campaigns and Latin American solidarity Consuming Agency and Desire in Romance Jenni M. Simon, 2017-11-15 The romance industry has profited on the fantasies of women for centuries However as a new generation of women raised under the guidance of second wave feminists take up the reins of romance production romance novels and films have increasingly challenged tired stereotypes labeling romantic stories as formulaic fodder This book examines how the romance genre serves women in multiple ways from escapism to sexual education from fantasy to fun and most importantly as a site of production for feminist texts **The Concise Encyclopedia of Communication** Wolfgang Donsbach, 2015-02-03 This concise volume presents key concepts and entries from the twelve volume ICA International Encyclopedia of Communication 2008 condensing leading scholarship into a practical and valuable single volume Based on the definitive twelve volume IEC this new concise edition presents key concepts and the most relevant headwords of communication science in an A Z format in an

up to date manner Jointly published with the International Communication Association ICA the leading academic association of the discipline in the world Represents the best and most up to date international research in this dynamic and interdisciplinary field Contributions come from hundreds of authors who represent excellence in their respective fields An affordable volume available in print or online

Reading Rhetorical Texts James Robertson Andrews, Michael C. Leff, Robert Terrill, 1997 This book is designed to orient the beginning student to the nature and function of rhetorical criticism to acquaint the student with those elements in the rhetorical situation that warrant serious attention and to teach the student a useful strategy with which to begin to practice criticism The focus of this book is clearly on public speeches Along with mastering basic concepts the beginning critic will also be given the opportunity to begin grappling with fundamental and enduring critical issues The authors have included in this book texts and examples of how critics have studied those texts They also offer two historical texts along with their own critical readings of those texts The book then presents two texts and illustrations of the various critical responses to these texts The first text is Richard Nixon's Address on the Vietnam War and the second is Jesse Jackson's Common Ground and Common Sense Finally several examples of critical readings by rhetorical scholars illustrate different ways to approach texts Pref
