valuable assets bequeathed upon believers in the Body of Christ has since the beginning of time Without the backing of these gifts the church would not be functioning at the level of fullness of God As a believer it is important that you understand and know the operation of all the gifts of the Holy Spirit namely prophecy faith miracles healing discernment word of knowledge word of wisdom diversities of tongues as well as their interpretation Like all other things in the Christian life the gifts of the Holy Spirit also must be taught to be practiced Paul precautiously admonished the Church of Corinth not to be ignorant of spiritual gifts Basing his revelation of the foundational doctrine of the apostle Paul Apostle Frequency Revelator further explores the divine truth that the gifts of the Holy Spirit are not called up at the fancy of the vessel God chooses to use Instead they are a divine legitimate birth right irrevocably bequeathed upon every believer in Christ In this book Apostle Frequency Revelator dissects on both the revelational and practical aspects of operating the gifts of the Holy Spirit categorically synthesising them into revelational gifts vocal gifts and power gifts Definitions and explanations are given on each gift as well as elaborate explanations of the how of each operation Christians need to understand what type of gifts they are receiving before they can operate in them Apostle Frequency Revelator further points out the reality that the gifts of the Holy Spirit are not manifesting to their highest level of potential in some places because of a lack of proper Biblical teaching This revelational teaching will therefore bring faith and understanding for the operation of the gifts The reading of this book will therefore cause you to understand the call of God in your life so that you can flow in the dispensation of God s grace upon your life It will also assist you in terms of knowing the limits and boundaries of the operation of His gifts in your life Ultimately it will catapult your faith to the highest realms of the supernatural whereby you shall operate in all the gifts of the Spirit for the empowerment edification and advancement of the Church
