**Why I Stand** Jonathan Isaac, 2022-05-17 Facing public criticism, peer hostility and widespread disapproval would you compromise your principles to blend in with the crowd or would you stand for what you believe? On July 31, 2020 the Orlando Magic starting forward Jonathan Isaac was the lone NBA player not to kneel for the national anthem amid a league wide demonstration in support of Black Lives Matter. Standing alone knowing the scrutiny to come Jonathan had a peace he at one time never could have imagined possible. In **Why I Stand** Jonathan shares the journey of how through a series of divine connections and a willingness to follow Christ his fear and insecurity driven life was transformed into one of confidence and purpose. From his childhood in the Bronx to his high school years in Florida from rail skinny freshman at FSU to top draft pick in the NBA Jonathan uses his life story to illuminate the freedom and peace found in the love of Jesus Christ. More than the story of an NBA player's transformation from man on the court to man of God **Why I Stand** is a testament to His love, power and grace that extends to us all. This book is a discovery that no matter your level of confidence today God's strength will develop in your weakness. That courage is found in trusting that God is greater than your fears. As Jonathan takes you through the experiences that drove his decisions he offers insight and inspiration to help you to grow to a point where standing alone is better than not standing at all.

Pink, New York Times bestselling author of *When and Drive*, *Greatness* is a matter of timing. Executive and mental performance coach Brian Levenson has spent years working with high performers in sports, business and culture. And from the field to the boardroom he noticed something surprising: Talented people were failing to reach their goals not because they lacked the necessary skills but because they didn't understand the mental processes that fueled them. When it comes to high performance talent isn't enough. He began interviewing former CIA agents, world class chefs, astronauts, athletes, CEOs and more to find a solution and soon realized that elite performers have one thing in common: They shift between complementary mindsets, one for preparing effectively and one for delivering when it counts. Only by practicing both mindsets do the best of the best, such as swimmer Diana Nyad, performer Taylor Swift and legendary football coach Tom Coughlin, move seamlessly from drills to game changing plays and back again. In **Shift Your Mind** you'll learn nine
