the law relating to yachts and provides its readers with a thorough analysis of maritime law as relevant to the superyacht sector. Written by a team of leading yachting practitioners and researchers, it covers the legal issues arising during the life of a yacht. The book is written for the legal practitioner, yacht broker, and manager concerned with the operation of professionally crewed yachts, including financing, registration, chartering, insurance, compliance, and casualty management.

Key Features: The only practitioners book on the area. It covers all major aspects of yachting law in a single book. *The Law of Yachts and Yachting* is highly comprehensive. Despite its main focus on contract and tort law, it contains references to public law and international law and practice. References to case law, English, foreign, and international. Appendices containing essential source materials. The second edition will cover important changes in the superyacht industry, such as the new MYBA Charter Form 2017, the Large Yacht Code LY3, and the Passenger Yacht Code, both shortly to be consolidated into the new REG YC, and the coming into force of the Maritime Labour Convention 2006, to name just a few.
