*Sports Law* Michael Beloff KC, Tim Kerr QC, Marie Demetriou QC, Rupert Beloff, 2012-10-19 Sports law has been growing rapidly since the first edition of this book in 1999 This revised work by leading practitioners in the field with a foreword by Lord Coe provides a coherent framework for understanding the principles of sports law in this area as well as a deep analysis of its key features

**Principles and Practice in EU Sports Law** Stephen Weatherill, 2017-08-11 Principles and Practice in EU Sports Law provides an overview of EU sports law In particular it assesses sporting bodies claims for legal autonomy from the ordinary law of states and international organizations Sporting bodies insist on using their expertise to create a set of globally applicable rules which should not be deviated from irrespective of the territory on which they are applied The application of the *lex sportiva* which refers to the conventions that define a sport s operation is analysed as well as how this is used in claims for sporting autonomy The *lex sportiva* may generate conflicts with a state or international institution such as the European Union and the motives behind sporting bodies claims in favour of the *lex sportiva* s autonomy may be motivated by concern to uphold its integrity or to preserve commercial gain Stephen Weatherill s text underlines the tense relationship between *lex sportiva* and national and regional jurisdictions which is exemplified with specific focus on the EU The development of EU sports law and its controversies are detailed reinforced by the example of relevant legal principles in the context of the practice of sports law The intellectual heart of the text endeavours to make a normative assessment of the strength of claims in favour of sporting autonomy and the variation between different jurisdictions and sports is evident Furthermore the enduring dilemma facing

sports lawyers running throughout the text is whether sport should be regarded as special and in turn how far its special character should be granted legal recognition

**Employment and Labour Relations Law in the Premier League, NBA and International Rugby Union** Leanne O'Leary, 2017-01-28 This book examines the employment arrangements of professional athletes in the Premier League football competition the National Basketball Association competition and rugby union played at an international level It describes the organisation and regulatory frameworks of these three professional team sports and highlights the legal economic and regulatory factors that influence the final form of an athlete's working conditions It provides a comparative analysis between the sports on issues such as the role of collective bargaining wage regulation salary caps nationality restrictions eligibility player movement and the acquisition of a player's intellectual property It discusses the approaches adopted in each sport for balancing the interests of labour and management the problem of controlling private regulatory power in professional sport and considers the extent to which legal or government intervention is required in an athlete's employment relationship National law can assist players in a domestic league to secure an involvement in the determination of working conditions but it has a more limited effect in a competition organised by an international governing body This book argues that social regulation through soft law processes at an international level may benefit athletes consumers and sport globally It provides a useful case example for comparison with the organisation of other professional team sports in Europe North America and Australasia This book is important reading for scholars and practitioners in the fields of international sports law employment law competition law European law and human rights law It is also highly recommended for students at undergraduate and postgraduate levels taking modules and courses in Sports Law or Sports Business Management Dr Leanne O'Leary is a dual qualified solicitor Senior Lecturer in Law and member of the Centre for Sports Law Research at Edge Hill University in the United Kingdom This book appears in the ASSER International Sports Law Series under the editorship of Prof Dr Ben Van Rompuy and Dr Antoine Duval
