Decision Making in Business and Industry A Practical Guide presents an accessible treatment of the procedures and technologies involved in designing and building risk assessment processes and models Areas examined include brokerage house portfolio management legal decision making construction oil gas exploration environmental assessments engineering marketing government manufacturing The entire volume is presented as a narrative keeping statistical jargon to a minimum and explaining all concepts techniques and processes in a straightforward manner The author emphasizes that the technical aspects of a risk assessment and decision making effort are secondary to the cultural organizational and interpersonal facets of establishing a framework Practical is the operative term throughout the text Risk Assessment and Decision Making in Business and Industry A Practical Guide enables readers who are not risk experts to effect an easy execution of the risk model building effort

Thoughts Unlocked G. Sreenivasan,2020-11-29 A pandemic made us all sad mute and tremble with fear We locked the entire world one day and isolated ourselves from each other This book Thoughts Unlocked Lockdown Days Musings is a perfect riposte to a pandemic that has rendered the humans voiceless Writer Sreenivasan ruminates on how the pandemic made a larger impact on his life and those around him It would give the reader an insight into how a human mind works when one day the world closes all its doors and puts us all under house arrest This book tells the stories of the past present and future It seems autobiographical and fictitious at times It may lack in order of things but is written in a language that is lucid mild straight and with a grand touch of humour The thoughts the writer shares here would create in every reader a ponderous urgency to look back to the lives we had in the past This book is a definite read and should be a great help in the freeing of our thoughts and presumptions

Making Miss India Miss World Susan Dewey,2008-04-07 For almost half a century the Miss India competition has been a prominent feature of Indian popular culture influencing over time the conventional standard for female beauty As India participates increasingly in a global economy that standard is gradually being shaped by forces beyond the country s borders Through the unexpected lens of the 2003 beauty pageant Susan Dewey s Making Miss India Miss World examines what feminine beauty has come to mean in a country transformed by recent political economic and cultural developments
