House of Commons,1873 Annual General Report of the Department Ireland. Department of Agriculture and Technical Instruction,1908 **The History of College Affordability in the United States from Colonial Times to the Cold War** Thomas Adam,2020-10-13 This book examines how tuition and student loans became an accepted part of college costs in the first half of the twentieth century The author argues that college was largely free to nineteenth century college students since local and religious communities donors and the state agreed to pay the tuition bill with the expectation that the students would serve society upon graduation College education was essentially considered a public good This arrangement ended after 1900 The increasing secularization and professionalization of college education as well as changes in the socio economic composition of the student body which included more and more students from well off families caused educators college administrators and donors to argue that students pursued a college degree for their own advancement and therefore should be made to pay for it Students were expected to pay tuition themselves and to take out student loans in order to fund their education **Catalogue of the Officers and Students** William Jewell College, Liberty, Mo,1872 **Davidson College** ,1923 Holstein Breeder and Dairyman ,1927 **Sessional Papers** Great Britain.
