Airpods Nhl Opening Night Top:

Money, Power, Respect Macaela MacKenzie, 2023-06-27 An inside look at how women athletes are leading the fight for equality on and off the field Women's sports receive a fraction of the airtime allotted for men's sports as well as a fraction of the marketing dollars media coverage and training resources For every dollar that the NBA's highest paid player brings home the WNBA's highest paid player earns just half a cent But while misogyny in sports is particularly visible it's not unique Women athletes face the same sexist barriers found in all career fields the motherhood penalty transphobia and misogynoir underpromotion and more But women in sports are fighting back debunking myths that women aren't as skilled competitive or capable of generating revenue as men Drawing on exclusive interviews with prominent athletes including Allyson Felix Megan Rapinoe and Billie Jean King journalist Macaela Mackenzie shows how women are using sports as a platform for change As women athletes push for the same things all women want in their careers money power and respect their wins are showing the rest of us what's possible in the fight for equality

The Greatest, Weirdest, Most Amazing NHL Debuts of All Time Andrew Podnieks, 2019-10-08 Hit the ice in the NHL for the first time with over 300 hockey stars From Hall of Famers to lesser known players every one of the more than 7 700 NHLers skated in a first game Many of these debuts are noteworthy because of a record that is plain amazing Al Hill's five points a record most dubious David Koci's 42 penalty minutes or an achievement never likely to be replicated Larry Hillman gets his name on the Stanley Cup after just one shift Prolific sports writer Andrew Podnieks's comprehensive new book features more than 300 spectacular debuts from 1917 to 2019 and hones in on great achievements and amazing exploits culled from each player's first night of NHL stardom

The Rookie Shawna Richer, 2006 A Season with Sidney Crosby and the New NHL A gripping account of the rookie season of the NHL's next great saviour When Sidney Crosby was first drafted by the Pittsburgh Penguins we knew he was bright photogenic personable and a media darling The only question that remained was whether he could handle the big time From an international advertising deal with Reebok to a season of personal triumphs and gut wrenching challenges with a little argument from Don Cherry along the way Sid the Kid has proven that he is the man In the tradition of A Season on the Brink and Peter Gzowski's The Game of Our Lives Shawna Richer has had the exclusive assignment of chronicling Sidney Crosby's incredible rookie season Beginning with the NHL entry draft that almost never was Richer follows Crosby to Pittsburgh where he is greeted as the team's saviour and moves in with living legend Mario Lemieux Just eighteen the league's youngest player makes the leap to the NHL look easy and is named its best rookie in his first month while performing under great expectations and intense scrutiny He quickly becomes his team's leading scorer and best player there are triumphant openings in New York Toronto and Montreal But like Gretzky and Lemieux the young superstars who came before him his first NHL season provides immense challenges The Penguins struggle to win games and fire their coach early on all with the threat that the team may be sold and leave Pittsburgh hanging over their heads Through it all Crosby rises to each challenge

His story is destined to become a classic With less than a minute left to play and the game appearing to be headed to a shootout Crosby vaulted over the bench for his final shift At the same time across the rink in the corner near the Penguins net Ryan Malone pulled the puck onto his stick The rangy sophomore forward looked around for an open man nearby but then he spied Crosby near centre ice just starting to head across the zone The rookie was wide open and all alone Malone fired a long lead pass to his teammate straight up the middle of the rink Just over the centre line Crosby pulled the puck in and charged into the Flyers zone all the anger from earlier contained entirely on the blade of his stick The only thing between him and Niittymaki was less than ninety feet of well worn ice The Finnish goaltender shimmied out of his crease in an attempt to cut down the view of the net but Crosby was churning so hard and so fast he quickly backed up Sidney spotted an opening on Niittymaki s stick side and in an instant he shot and scored He raised his arms and shouted He circled back toward centre ice all broken teeth and fat lip and unbridled rage and joy and sweet revenge in one package The crowd roared its displeasure FromThe Rookie From the Hardcover edition
