## Q Pride Prejudice Scholastic:

**Pride and Prejudice** Jane Austen, 2000 A perennial favorite in the Norton Critical Editions series *Pride and Prejudice* is based on the 1813 first edition text which has been thoroughly annotated for undergraduate readers. Backgrounds and Sources includes biographical portraits of Austen by members of her family and by acclaimed biographers Claire Tomalin and David Nokes. Seventeen of Austen's letters, eight of them new to the Third Edition, allow readers to glimpse the close knit society that was Austen's world both in life and in her writing. Samples of Austen's early writing from the epistolary *Love and Friendship*. A Collection of Letters allow readers to trace her growth as a writer as well as to read her fiction comparatively. Criticism features eighteen assessments of the novel by nineteenth and twentieth century commentators, six of them new to the Third Edition. Among them is an interview with Colin Firth on the recent BBC television adaptation of the novel. Also included are pieces by Richard Whately, Margaret Oliphant, Richard Simpson, D W Harding, Dorothy Van Ghent, Alistair Duckworth, Stuart Tave, Marilyn Butler, Nina Auerbach, Susan Morgan, Claudia L Johnson, Susan Fraiman, Deborah Kaplan, Tara Goshal, Wallace Cheryl L Nixon, David Spring, Edward Ahearn, and Donald Gray. Also included are a Note on Money, a Chronology of Austen's life and work, new to the Third Edition, and an updated Selected Bibliography. About the Series: No other series of classic texts equals the caliber of the Norton Critical Editions. Each volume combines the most authoritative text available with the comprehensive pedagogical apparatus necessary to appreciate the work fully. Careful editing, first rate translation, and thorough explanatory annotations allow each text to meet the highest literary standards while remaining accessible to students. Each edition is printed on acid free paper and every text in the series remains in print. Norton Critical Editions are the choice for excellence in scholarship for students at more than 2,000 universities worldwide. Complete Handbook on Compulsory National Service: Discussion handbook J. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital, and mobile entertainment issues and trends. *Books in Print Supplement*, 2002 *Educational Equity* Karen Maschke, 2013-09-13 Multidisciplinary focus. Surveying many disciplines, this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States. The themes addressed include the historical, political, and social contexts of legal issues that have affected women's struggles to obtain equal treatment under the law. The articles are drawn from journals in law, political science, history, women's studies, philosophy, and education and represent some of the most interesting writing on the subject. *The Law in Theory and Practice*. Many of the articles bring race, social, and economic factors into their analyses, observing, for example, that black women, poor women, and single mothers are treated by the wielders of the power of the law differently than middle class white women. Other topics covered include the evolution of women's legal status, reproduction rights, sexuality, and family issues, equal
