My Life with Things Elizabeth Chin, 2016-05-19 Unconventional and provocative My Life with Things is Elizabeth Chin s meditation on her relationship with consumer goods and a critical statement on the politics and method of anthropology Chin centers the book on diary entries that focus on everyday items kitchen cabinet knobs shoes a piano and uses them to intimately examine the ways consumption resonates with personal and social meaning from writing love haikus about her favorite nail polish and discussing the racial implications of her tooth cap to revealing how she used shopping to cope with a miscarriage and contemplating how her young daughter came to think that she needed Lunesta Throughout Chin keeps Karl Marx and his family s relationship to their possessions in mind drawing parallels between Marx s napkins the production of late nineteenth century table linens and Chin s own vintage linen collection Unflinchingly and refreshingly honest Chin unlocks the complexities of her attachments to reliance on and complicated relationships with her things In so doing she prompts readers to reconsider their own consumption as well as their assumptions about the possibilities for creative scholarship

50 MINUTES SHORTCUTS TO ONLINE BUSINESS SUCCESS Norman Thekiso, 2017-11-14 Dear online marketer there comes a time in every online marketer s life when things just go click and let me tell you fro m my seven years experience it happens very very quickly mostly when your not expecting it frustration delay late nights disappointment gone all gone just like that how on earth do you reach that stage though well before i show you that i just want to point out a few things the magic moment has drawbacks nothing is ever that easy as every one of us knows all the usual stuff people don t want to hear to get there it takes times and it takes money two things that personally i d rather keep than spend on mindless guesswork which is what most marketers are doing right now the thing about this moment though is

that there isn't just one of them in fact there's several and they all appear one after the other for some it takes a month for some a year and for some I know it's been seven years and they are still trying one of them message me on and a few weeks back and say and I quote exactly here sign and my new site failed again bar! he said and visit I spend loads setting it up too any advice for an old buddy I told I have about fifty little pieces of advice and suggestion but I do have to write you a book about it followed by a little smiley sticking its tongue out alright that I wasn't expecting Ah I needed a new project anyway so off I go I went ahead and wrote it when I finished it I needed a test he was the perfect subject he agreed to this I didn't test on him without his knowledge and from what he told me it went down rather well I love to repeat what may he said while feeling the excitement of his major sales but that may offend some of more sensitive naturally visitors so intend why not take a look at what was in it for yourself *Online Diaries* Beck, Courtney Love, Stephen Malkmus, Thurston Moore, Lee Ranaldo, Mike Watt, David Yow, 1996 The tour journal eliminated the rock critic middle man and created a direct living and breathing multiple perspective story telling that couldn't have been done by a newspaper magazine radio or television A scathing take on Lollapalooza Sam Pratt New York Post [Forty Fathers](#) Tessa Lloyd, 2019-10-19 When Tessa Lloyd's sons-in-law became fathers she searched for resources that would help inspire them especially parenting stories from other fathers However that book didn't seem to exist As a counsellor for children and families Lloyd understood the ways a father-child relationship can have a lasting effect through the generations Seeing a need Lloyd decided to gather these stories herself This resulting volume collects the stories and portraits of forty Canadian fathers who open up about both their own fathers and their deeply personal parenting experiences This diverse group includes Prime Minister Justin Trudeau writer Lawrence Hill academic Niigaan Sinclair athlete Trevor Linden restaurateur Vikram Vij anthropologist Wade Davis musician Alan Doyle artist Robert Bateman and philanthropist Rick Hansen The contributors reflect on their varied parenting experiences and challenges including parenting while incarcerated parenting across cultural barriers parenting through divorce parenting while transgender parenting as a celebrity and parenting with a disability Many common themes emerge throughout the stories including the process of overcoming cultural messages that encourage men to be strong authoritarian and emotionally unavailable The stories are extraordinarily candid and vulnerable as the fathers describe their own failings regrets and childhood traumas as well as the humbling process of trying to do better In one anecdote Dr Greg Wells describes the experience of meeting another father walking the empty streets at three a.m. with an infant and how that moment of shared recognition gave him strength at a difficult time The stories in this book offer a similar glimpse into the shared experiences and trials of fatherhood but also offer fascinating reflections on the more universal experiences of finding one's place within a family and striving to be a better person for the sake of others *Something Blue and Other Colorful Deaths* L. L. Soares, 2023-03-31 As a writer L. L. Soares knows how to grip us and scare us but he also knows how to move us These stories never let go of their sense of compassion Soares is damned good I wish I'd started reading him a lot sooner but
