**Australian Book Review** ,2004-02 **The Underdogs of Upson Downs** Craig Silvey, 2024-03-12 A heartwarming and hilarious story about a girl and her dog and of kindness friendship hurdles tunnels see saws and most importantly bringing out the best in yourself and others A KIRKUS REVIEWS BEST BOOK OF THE YEAR Annie Shearer lives in the country town of Upson Downs with her best friend an adopted stray dog called Runt The two share a very special bond After years evading capture Runt is remarkably fast and agile perfect for herding runaway sheep But when a greedy local landowner puts her family s home at risk Annie directs Runt s extraordinary talents toward a different pursuit winning the Agility Course Grand Championship at the lucrative Krumpets Dog Show in London However there is a curious catch Runt will only obey Annie s commands if nobody else is watching With all eyes on them Annie and Runt must beat the odds and the fastest dogs in the world to save her farm

**Visual Spatial Enquiry** Robyn Creagh, Sarah McGann, 2018-12-07 Visual Spatial Enquiry explores visual and textual ways of working within spatial research Architects and spatial thinkers from the arts social sciences and humanities present rich case studies from remote and regional settings in Australia to the suburbs of Los Angeles and from gallery and university settings to community collaborations in Mongolia Through these case studies the authors reappraise and reconsider research approaches methods and processes within and across their fields In spatial research diagramming can be used as a method to synthesise complex concepts into a succinct picture whereas metaphors can add the richness of lived experiences Drawing on the editors own architectural backgrounds this volume is organised into three key themes seeing doing and making space In seeing space chapters consider observational research enquiries where developing empathy for the context and topic is as important as gathering concrete data Doing space explores

generative opportunities that inform new and innovative propositions and making space looks at ways to rethink and reshape spatial and relational settings Through this volume Creagh and McGann invite readers to find their own understandings of the value and practices of neighbouring fields including planning geography ethnography architecture and art This exploration will be of value to researchers looking to develop their cross disciplinary literacy and to design practitioners looking to enhance and articulate their research skills
