Drug Wars and Covert Netherworlds James H. Creechan, 2021-12-07 The popular history of narco Mexico has long been narrowly framed by the U S War on Drugs Stereotypes overemphasize the criminal agency of celebrity drug lords Common understanding of the narco world is rooted in mythology and misunderstanding and the public narrative has consistently downplayed links to respected individuals and legitimate society In *Drug Wars and Covert Netherworlds* sociologist and criminologist James H Creechan draws on decades of research to paint a much more nuanced picture of the transformation of Mexico s narco cartels Creechan details narco cartel history focusing on the decades since Richard Nixon declared the War on Drugs With sobering detail Creechan unravels a web of government dependence legitimate enterprises covert connections and violent infighting He details how drug smuggling organizations have grown into powerful criminal mafias with the complicit involvement of powerful figures in civil society to create covert netherworlds Mexico is at a moment of change a country on the verge of transition or perdition It can only move forward by examining its history of narco connections spun and re spun over the last fifty years [The Spaces and Places of Horror](#) Francesco Pascuzzi, Sandra

Waters, 2020-01-16 This volume explores the complex horizon of landscapes in horror film culture to better understand the use that the genre makes of settings locations spaces and places be they physical imagined or altogether imaginary In *The Philosophy of Horror* No l Carroll discusses the geography of horror as often situating the filmic genre in liminal spaces as a means to displace the narrative away from commonly accepted social structures this use of space is meant to trigger the audience s innate fear of the unknown This notion recalls Freud s theorization of the uncanny as it is centered on recognizable locations outside of the Lacanian symbolic order In some instances a location may act as one of the describing characteristics of evil itself In *A Nightmare on Elm Street* teenagers fall asleep only to be dragged from their bedrooms into Freddy Krueger s labyrinthine lair an inescapable boiler room that enhances Freddie s powers and makes him invincible In other scenarios the action may take place in a distant little known country to isolate characters Roth s *Hostel* films or as a way to mythicize the very origin of evil Bava s *Black Sunday* Finally anxieties related to the encroaching presence of technology in our lives may give rise to postmodern narratives of loneliness and disconnect at the crossing between virtual and real places in Kurosawa s *Pulse* the internet acts as a gateway between the living and spirit worlds creating an oneiric realm where the living vanish and ghosts move to replace them This suggestive topic begs to be further investigated this volume represents a crucial addition to the scholarship on horror film culture by adopting a transnational comparative approach to the analysis of formal and narrative concerns specific to the genre by considering some of the most popular titles in horror film culture alongside lesser known works for which this anthology represents the first piece of relevant scholarship

Addiction and Pastoral Care Nicolas Roberts, 2018 Addiction can take many forms and there can hardly be a minister or a prison college or schools chaplain who will not have encountered its damaging effects on individuals their families and local

communities In the UK in 2014 there were 3 300 drug related deaths and almost 9 000 alcohol related deaths 70% of offenders admit to a drug problem before prison and drug use is a major problem throughout the prison system Besides these compulsive behaviours of all kinds damage personal and communal wellbeing Clergy and pastoral workers are often in the front line caring for addicts and their families usually without any professional training This handbook from an experienced pastoral practitioner offers An exploration of the psychology of addiction A theological perspective on desire The nature of pastoral care with addicts Practical models of pastoral care Resources for professional care *Watching Sympathetic Perpetrators on Italian Television* Dana Renga,2019-02-11 This book offers the first comprehensive study of recent popular Italian television Building on work in American television studies audience and reception theory and masculinity studies *Sympathetic Perpetrators and their Audiences on Italian Television* examines how and why viewers are positioned to engage emotionally with and root for Italian television antiheroes Italy s most popular exported series feature alluring and attractive criminal antiheroes offer fictionalized accounts of historical events or figures and highlight the routine violence of daily life in the mafia the police force and the political sphere Renga argues that Italian broadcasters have made an international name for themselves by presenting dark and violent subjects in formats that are visually pleasurable and for many across the globe highly addictive Taken as a whole this book investigates what recent Italian perpetrator television can teach us about television audiences andour viewing habits and preferences **Zero zero zero** ,2013 *Subject Index to Periodicals* ,2009
