Archer,2016-06-28 Read the first book in the multi USA Today bestselling historical fantasy romance series for FREE It was wonderful Full of mystery intrigue a hint of romance and of course the witty humour Google Play reviewer Cindy Jean This is a great read with many twists and turns that are extremely interesting The characters are excellent Google Play reviewer Cherry Malone I absolutely loved this book Can not wait for the next book in the series The characters are easily lovely and the plot is one of a kind Super excited for this new series Google Play reviewer Lori Yedor DESCRIPTION India Steele is desperate Her father is dead her fianc took her inheritance and no one will employ her despite years working for her watchmaker father Indeed the other London watchmakers seem frightened of her Alone poor and at the end of her tether India takes employment with the only person who ll accept her an enigmatic and mysterious man from America A man who possesses a strange watch that rejuvenates him when he s ill Matthew Glass must find a particular watchmaker but he won t tell India why any old one won t do Nor will he tell her what he does back home and how he can afford to stay in a house in one of London s best streets So when she reads about an American outlaw known as the Dark Rider arriving in England she suspects Mr Glass is the fugitive When danger comes to their door she s certain of it But if she notifies the authorities she ll find herself unemployed and homeless again and she will have betrayed the man who saved her life With a cast of quirky characters an intriguing mystery and a dash of romance THE WATCHMAKER S DAUGHTER is the start of a thrilling new historical fantasy series from the author of the bestselling Ministry of Curiosities Freak House and Emily Chambers Spirit Medium books Readers have likened The Watchmaker s Daughter to A Discovery of Witches by Deborah Harkness but set in Victorian London and books by Deanna Raybourn but with gaslamp fantasy      A Stage Set for Villains Shannon J.
