Getting By Helen Hershkoff,Stephen Loffredo,2019-10-29 Getting By offers an integrated critical account of the programs rights and legal protections that most directly affect poor and low income people in the United States Insufficient popular understanding about programs and legal protections has contributed to a widening gap between paper rights that exist on the books and actual benefits that people can enforce on the ground A central goal of this volume is to empower individuals groups and communities to bridge this gap and in doing so to bridge gaps among those who are locked out of the American dream

Financial Planning Basics for Doctors Marshall Weintraub,Michael Merrill,Cole Kimball,2019-01-25 Financial

Planning Basics for Doctors is a comprehensive guide on building a long term financial plan for doctors and their families. Subjects covered include student loans, home buying, disability insurance, estate planning, college planning, retirement planning, investments, and behavioral finance among many others. Each chapter starts with the basics before addressing more advanced concepts frequently with examples and graphs and concludes with a concise summary of the key takeaways. Throughout the book there are links to free downloadable spreadsheets and a planning checklist to help you jump start and organize your financial plan. The content provided is a result of the feedback the authors have received over thousands of meetings with doctors condensed into a thorough overview of the most relevant ideas. Teaching hospitals do an excellent job of training our next generation of doctors yet most new physicians graduate without having had a class on managing their finances. This book was written to fill that knowledge gap. Marshall Weintraub, Michael Merrill, and Cole Kimball are financial advisors with Finity Group LLC, a financial planning firm specializing in working with doctors. *Student Lawyer*, 2002
