The Unofficial Guide to Walt Disney World with Kids 2015 Bob Sehlinger, Liliane J. Opsomer, Len Testa, 2014-08-18

The Unofficial Guide to Walt Disney World with Kids is packed with useful tips great advice excellent discussion and practical travel knowledge gleaned from years of Walt Disney World travel experience It is one of the few guidebooks to Disney World that specifically addresses the needs of kids with in some cases research and input from kids Authors Liliane Opsomer Bob Sehlinger and Len Testa will help you prepare for your vacation with ease Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today and Operations Research Forum The Unofficial Guide to Walt Disney World with Kids digs deeper and offers more specific information than any other guidebook This is the only guide that explains how to make every minute and every dollar of your vacation count With advice that is direct prescriptive and detailed it takes the guesswork out of your family vacation Step by step detailed plans allow you to visit Disney World with your children with absolute confidence and peace of mind

Pay the People! John Driscoll, Morris Pearl, *The Patriotic Millionaires*, 2014-12-03 From an unlikely source a compelling argument that when workers are paid fairly everyone including businesses benefits I m not any more altruistic than the next guy I m just greedy for a different kind of country than most other rich people I want to be a rich man in a rich country Morris Pearl board chair of the Patriotic Millionaires and former BlackRock executive Seventy percent of the U S economy is based on consumer demand but almost 40 percent of Americans make less than the cost of living Nearly all the economic gains made in the last several decades have gone to the top 1 percent and Wall Street while working families whose spending habits drive the economy have fallen further behind and our economy has suffered as a result In *Pay the People* two members of the top 1 percent John Driscoll former healthcare CEO and current Walgreens executive and Morris Pearl a former BlackRock executive and board chair of the Patriotic Millionaires pin the blame squarely on short term corporate greed and policies of both government and employers that impose austerity on some of the hardest working employees and families They argue that business leaders refusal to pay wages that workers can live on and Congress s failure to raise the federal minimum wage trap millions of workers in cycles of poverty At the same time Driscoll and Pearl demonstrate these policies undermine the economy for all of us and threaten the foundation of democratic capitalism This highly illustrated data informed call for a major readjustment in our pay scale for workers at all levels from two individuals who profit mightily from the current imbalanced system presents a rebuke of modern American business practices and congressional paralysis But it also offers a road map forward with chapters describing what a reconfigured economy would look like In an issue that is too often covered as a zero sum game where there s a winner and a loser Driscoll and Pearl offer resounding evidence to the contrary *Kiplinger's Personal Finance*, 2014-02 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics
