Return of the Thin Man Dashiell Hammett, 2012-11-06 This first unabridged appearance of two Nick and Nora Charles novellas by Hammett should be an occasion for delight and it is. The Wall Street Journal Dashiell Hammett was a crime writer who elevated the genre to true literature and *The Thin Man* was Hammett's last and most successful novel. Following the enormous success of *The Thin Man* movie in 1934 Hammett was commissioned to write stories for additional films. He wrote two full length novellas for the films that became *After the Thin Man* and *Another Thin Man*. Bringing back his classic characters retired private investigator Nick Charles and his former debutante wife Nora who return home to find Nora's family gardener murdered pulling the couple back into another deadly game of cat and mouse. Hammett has written two fully satisfying *Thin Man* stories with classic barbed Hammett dialogue and fully developed characters. Written in the style of a screenplay treatment *The Return of the Thin Man* is a hugely entertaining read that brings back two classic characters from one of the greatest mystery writers who ever lived. This book is destined to become essential reading for Hammett's millions of fans and a new generation of mystery readers the world over. Read *Return of the Thin Man* and rediscover why Dashiell Hammett was the peerless master of crime fiction in all its dark and bloody glory. New York Journal of Books A volume no fan of Hammett's of Nick and Nora Charles of *The Thin Man* series should even think of doing without. The Huffington Post

The link can be viewed at www.militarywriters.com/awards.htm Introduction Full Circle Escape from Baghdad and the Return chronicles a prominent Iraqi Jewish family's escape from persecution through the journey of one family member a young boy who witnesses public hangings and the 1941 Krystallnacht Farhud in Baghdad. After a dangerous escape from Iraq akin to a Sephardic Schindler's List this ten year old begins a lifelong search for meaning and his place in the world. This journey takes him to the newly formed nation of Israel then to Brazil and eventually to the United States where he serves in the US Army in Korea works in top level positions with three Fortune 500 companies starts several businesses and volunteers to assist the FBI after September 11 2001. This chronicle strives to explore questions of meaning such as Does hardship taint the lure of adventure for any young man? What sustains hope? Does a persecuted Jew ever feel at home anywhere? This young man's journey and subsequent identity crisis interfaces with historical happenings in the world and brings an understanding of the culture and contributions of Sephardic Jews. There has been much written about the Jewish population in Germany and Europe and what they suffered but little is known about Sephardic Jews who have also been persecuted in other countries especially in Iraq a country of which we as Americans have some familiarity but know very little about.
