## Apoyan mejoras en el trabajo doméstico

SD. La decisión del gobierno de mejorar las condiciones mínimas del trabajo doméstico ha sido tomada con una visión positiva por especialistas en el tema laboral, que ven la iniciativa

como un acto de justicia. Mediante tres resoluciones se formalizó el trabajo doméstico, con un salario mínimo de 10,000 pesos y su inclusión en la seguridad social. ● P4

**Caribbean Inhospitality** Natalie Lauren Belisle, 2025-02-14 The Caribbean has a global reputation for extending unparalleled hospitality to foreign guests Yet local citizens express feeling alienated from the Caribbean nations they call home Here Natalie Lauren Belisle probes the relationship between these incompatible narratives of Caribbean life Departing from tourist centered critiques of the Caribbean s visitor economy Belisle instead gives primacy to the political life of the Caribbean citizen subject within a broader hospitality regime Reading literary cinematic and digital texts that traverse the Spanish Anglophone and Francophone Caribbean Belisle interprets citizens estrangement through misdirected political deliberation and demonstrates that inhospitality is institutionalized through the aesthetic reproducing itself in the laws that condition belonging and membership in the nation state Ultimately Caribbean Inhospitality recasts the decay of nation state sovereignty in the postcolonial Caribbean within the contours of neoliberalism international relations and cosmopolitanism

*Decentralization and Party Politics in the Dominican Republic* C. Mitchell, 2013-11-21 Recently in the Dominican Republic a pro municipal social alliance pressed for decentralization and politicians yielded seeking power in three party competition This study examines how electoral financial and administrative power has been dispersed and suggests innovative strategies to maintain decentralizing momentum

**China Engages Latin America** R. Evan Ellis, 2022-03-14 This book explores China s engagement with Latin America and the Caribbean as a case study of its broader effort to use commercial tools and instruments of state to create a global economic order that functions to its benefit while neutralizing challenges from institutions states and others that would oppose it Unlike the common representation of the Cold War as a political military struggle this work uniquely examines China s current efforts as primarily seeking to dominate global value chains with supporting political technological and military components In this regard it both leverages and goes beyond works based on dependency theory which has played a key role in the academic and popular discourse in the region The book examines evidence for China s economically focused strategy within Latin America and the Caribbean including the

interrelationships and coordination between China's activities in different sectors and between commercial political and other dimensions in the region. It further looks at the supporting role played by a diverse range of Chinese initiatives from China's Belt and Road initiative to people-to-people diplomacy, soft power, security engagement, and the PRC struggle with Taiwan for diplomatic recognition in the region, among others. The book highlights the implications for Latin America and the Caribbean and for the U.S. whose prosperity and security is intimately tied to the region.

[Perspectiva de géneros](#) María Guadalupe Rodríguez López, et al., 2025-08-14. Esta obra es la compilación de varios textos cortos donde se entretajan las voces de siete mujeres que con hilos de diferentes tonos logran un lienzo de ideas compartidas en pro de las libertades, la igualdad y la equidad para las mujeres. Las autoras abren un abanico de temas tocados todos con la perspectiva o la mirada de género. Los textos muestran diferentes ángulos y temporalidades: la literatura, las olas del feminismo, los cuidados caseros, las historias de familia, las luchas feministas locales, temas que van desde el siglo XVIII hasta el XXI. Incluye los textos titulados: La voz operística más allá de los roles de género, Quehacer literario y feminismo, Los fantasmas del feminismo, Mujeres que luchan: memoria, resistencia y promesa feminista, Familia y poder patriarcal en el siglo XX, Presente, pasado y futuro del trabajo y cuidado equitativo en los hogares, La familia como refugio, como mito, como infierno.

**Dominican Politics in the Twenty First Century** Jacqueline Jiménez Polanco, Ernesto Sagás, 2023-02-27. This collection examines the continuities and changes that have set the Dominican political system apart from its Latin American counterparts over the last couple of decades. Whereas traditional political parties have lost support throughout Latin America and electoral systems have devolved into illiberal democracies, Dominican democracy remains flawed but vibrant with a popular embrace of party politics. Across eight chapters, a collection of subject experts argue that the Dominican case offers valuable lessons to understand that even though traditional political parties are endangered throughout the region, they are not going anywhere. The book analyzes topics including electoral politics, the quality of Dominican democracy, political parties, corruption, relations with Haiti and the United States, migration, the Dominican diaspora, gender and politics, social movements, and civil participation and citizenship to reveal how the Dominican case proves that traditional political parties can adapt in order to survive, turning themselves into major sources of patronage, appealing to personalistic politics, and tinkering with the constitution in order to stay relevant. Dominican Politics in the Twenty First Century will be a vital resource for understanding contemporary Dominican politics. It will appeal to political scientists, Latin Americanists, and students of democracy, comparative politics, and electoral politics in general.
