

Best of all, you can use Spotify completely free of charge. The service has a Premium subscription plan, but you can also enjoy an ad-supported version of the platform without spending a cent. Subscribing to Spotify Premium is a great way to get rid of annoying ads, but there is more to the paid version of the service than you might expect. For example, the songs have better audio quality, it allows you to download songs for offline listening, and you can skip songs unlimitedly.

With all these characteristics, Spotify is one of the best options to listen to your favorite music, isn't it?
