World Series Chronology Sal Tartaglia, 2019-05-16 I d like to thank you remaining reading dinosaurs for your interest in this project I believe this compilation of baseball championship statistics differs from any previous attempts at documenting the history of the World Series Since the Sports Encyclopedia Baseball was discontinued by the Neft brothers if one were curious to know which team comes the closest to the New York Yankees record 5 consecutive titles 1949 53 one could in fact garner the answer in Encyclopedia after substantial investigation But in Chronology it s easy to see that the Oakland Athletics string of 3 straight 1972 74 is the next franchise in line Or if someone was interested in knowing which two teams faced one another the most times in World Series competition again this could be found after much tracking in another publication Finding that the Yankees and Dodgers have met 11 times would not be impossible to decipher from the Encyclopedia But again Chronology does all the research and the information jumps right off the page for the reader The Yanks dominated the BROOKLYN Dodgers in their 7 meetings by winning 6 times But since the Dodgers have moved to Los Angeles the teams have split their 4 match ups evenly These are just two examples of the myriad of comparisons contrasts relative similarities of all of the franchises that have played the glorious game of baseball into the fall Want to know what teams dominated a specific decade in their respective league Or how many times How about how many times have teams that won 100 games in the regular season have faced one another in the Fall Classic Which team has the most sweeps Who got there with the least amount of wins How they all fare historically Which league holds the edge What effect does winning a title have on that team s city s crime rate All of this information combined with anecdotes social historical correlations and so much more is conveniently at the disposal of the reader Thank you for your time I suspect that afterward you ll thank me for mine

World Series Chronology Sal Tartaglia, 2019-06-17 I d like to thank you remaining reading dinosaurs for your interest in this project Sadly I believe we are losing future generations to the art of the scribe To actually pick up a book If one were curious to know which team comes closest to the New York Yankees record 5 consecutive titles 1949 53 one could in fact garner this information in the Encyclopedia after substantial investigation But in Chronology it is easy to see the Oakland Athletics string of 3 straight 1972 74 is the next franchise in line Or if someone is interested in knowing which two teams faced one another the most times in World Series competition again this could be found after much tracking in another publication Finding that the Yankees Dodgers have met 11 times would not be impossible to decipher from the Encyclopedia But again Chronology does all the research and the information jumps right off the page for the reader The Yanks dominated the BROOKLYN Dodgers in their 7 meetings winning 6 times But since the Dodgers moved to L A the teams have split their 4 meetings evenly These are just two examples of the myriad comparisons contrasts relative similarities of all of the franchises that have played the glorious game of baseball into the fall Want to know what teams dominated a decade in their respective league Or how many times How about how many times teams that won 100 games in the regular season faced one another in

the Fall Classic Which team has the most sweeps Who got there with the least amount of wins How they all fare historically Which league holds the edge All of this information combined with anecdotes social historical correlations and so much more is conveniently at the disposal of the reader Thank you for your time I suspect that later you ll thank me for mine
