*Vermeer's Family Secrets* Benjamin Binstock, 2013-03-07 Johannes Vermeer one of the greatest Dutch painters and for some the single greatest painter of all produced a remarkably small corpus of work In Vermeer's *Family Secrets* Benjamin Binstock revolutionizes how we think about Vermeer's work and life Vermeer The Sphinx of Delft is famously a mystery in art despite the common claim that little is known of his biography there is actually an abundance of fascinating information about Vermeer's life that Binstock brings to bear on Vermeer's art for the first time he also offers new interpretations of several key documents pertaining to Vermeer that have been misunderstood Lavishly illustrated with more than 180 black and white images and more than sixty color plates the book also includes a remarkable color two page spread that presents the entirety of Vermeer's oeuvre arranged in chronological order in 1/20 scale demonstrating his gradual formal and conceptual development No book on Vermeer has ever done this kind of visual comparison of his complete output Like Poe's purloined letter Vermeer's secrets are sometimes out in the open where everyone can see them Benjamin Binstock shows us where to look Piecing together evidence the tools of art history and his own intuitive skills he gives us for the first time a history of Vermeer's work in light of Vermeer's life On almost every page of *Vermeer's Family Secrets* there is a perception or an adjustment that rethinks what we know about Vermeer his oeuvre Dutch painting and Western Art Perhaps the most arresting revelation of *Vermeer's Family Secrets* is the final one in response to inconsistencies in technique materials and artistic level Binstock posits that several of the paintings accepted as canonical works by Vermeer are in fact not by Vermeer at all but by his eldest daughter Maria How he argues this is one of the book's many pleasures

**The Big Rewind** Nathan Rabin, 2009-07-07 Nathan Rabin viewed pop culture as a life affirming form of escape throughout his childhood and adolescence As an adult pop culture became his life Head writer for A V Club for more than a decade Rabin uses specific books songs albums films and television shows as springboards for dissecting his Dickensian life story in his acclaimed memoir *The Big Rewind* Rabin writes movingly and hilariously about how pop culture helped save him from suicidal despair institutionalization and parental abandonment during a childhood that sent him ricocheting from a mental hospital to a foster home to a group home for emotionally disturbed adolescents A fun book about depression *The Big Rewind* is ultimately a touching narrative of a motherless child's search for family and acceptance and a darkly comic valentine to Rabin's lovable hard luck dad With comic dissertations on everything from *The Simpsons* to *The Great Gatsby* and from *Grey Gardens* to Dr Dre *The Big Rewind* chronicles Rabin's improbable yet all too true journey through life and its fortuitous intersections with the dizzyingly wonderful world of entertainment

*Girl Interrupted: Comparison of book and movie* Nadine Klemens, 2003-02-18 Seminar paper from the year 2002 in the subject American Studies Literature grade 1 3 A Technical University of Braunschweig English Seminar course HS Film and Literature language English abstract You spent nearly two years in a loony bin Why in the world were you there I can't believe it Translation If you're crazy then I'm crazy and I'm not so the whole thing must have been a mistake 125 How do we know whether someone is insane or sane Susanna Kaysen's account *Girl Interrupted* is told to us through the eyes of a girl who is diagnosed with a borderline personality disorder can we believe the things she is telling us or are her memories distorted by her mental illness The unreliability of the first person narrator is not only a question when dealing with the book but it is also an interesting aspect to consider when taking a closer look at the cinematic version of *Girl Interrupted* In order to analyze how Kaysen's literary work was adapted I will first shortly introduce the book and the movie Then I will compare the two works with regard to narrative perspective plot and time frame characters and cultural background

**Depression and Narrative** Hilary Clark, 2008-10-09 Depression and Narrative examines stories of depression in the context of recent scholarship on illness and narrative which up to this point has largely focused on physical illness and disability Contributors from a number of disciplinary perspectives address these narrative accounts of depression by both sufferers and those who

treat them as they appear in memoirs diaries novels poems oral interviews fact sheets blogs films and television shows Together they explore the stories we tell about depression its contested causes its gendering the transformations in identity that it entails and the problems it presents for communication associated as it is with stigma and shame Unlike certain physical illnesses such as cancer depression is stigmatized sometimes as a nonproblem the sufferer should snap out of it and sometimes as the slippery slope to madness Thus depression narratives have their work cut out for them This book highlights the work these stories do including bringing meaning to sufferers explaining depression justifying therapies and treatments and reducing the burden of shame accounting for a suffering that is in the end unaccountable *Taking a Stand* Jared N. erotic ethics Lynne Huffer provocatively rewrites Foucault as a Sapphic poet She uncovers eros as a mode of thought that erodes the interiority of the thinking subject Focusing on the ethical implications of this mode of thought Huffer shows how Foucault s poetic archival method offers a way to counter the disciplining of speech At the heart of this method is a conception of the archive as Sapphic the past s remains are like Sappho s verses hole ridden scattered and dissolved by time Listening for eros across fragmented texts Huffer stages a series of encounters within an archive of literary and theoretical readings the eroticization of violence in works by Freud and Eve Kosofsky Sedgwick the historicity of madness in the Foucault Derrida debate the afterlives of Foucault s antiprison activism and Monique Wittig s Sapphic materialism Through these encounters Foucault s Strange Eros conceives of ethics as experiments in living that work poetically to make the present strange Crafting fragments that dissolve into Sapphic brackets Huffer performs the ethics she describes in her own practice of experimental writing Foucault s Strange Eros hints at the self hollowing speech of an eros that opens a space for the strange
