Difficult Conversations Luke Gregory, 2016-06-22 Difficult Conversations How To Discuss What Matters Most in Communication Initiating a difficult conversation is similar to having a cold We all come down with frequent colds and thus we know how much of a nuisance it can be despite the fact that it does not have any cure Difficult conversations should not be avoided as this is an integral part of managing our challenges and thus streamlining our relationships whether in the office at home or anywhere else Is based on the fact that it could be very pivotal to performance management promotion of openness as well as improvement of important dynamics as part of building a team spirit The ugly truth is however difficult the conversation is there are practical step by step ways through which you can handle the conversation in a better and informed manner as possible This is simply by mastering the art of doing it so as to yield the right outcome that you desire while taking into consideration the feelings of the other party in the conversation The key to your mastery of difficult one to one conversations at the workplace or home revolves around good performance conduct as well as taking control of issues that often compound effective communication This book will therefore offer you with the guidelines and secrets that I have
