Bruce Cameron, 2002-03-04 Fathers may suspect it s not easy for their daughters to become women but those same daughters have no idea how hard it is for fathers to stand by and watch According to W Bruce Cameron Having a child mutate into a teenager is a bit like being an airline passenger who must suddenly take over for a stricken pilot and land the plane And in this case the passengers are all yelling I hate you I hate you and slamming the door to the cockpit Cameron has two daughters so he is doubly aware that raising teenage girls is well impossible He s been through braces the most expensive metal on earth kissing do they have to use their lips teen logic I asked if I could go out with Lindsey and you said no so I went out with Courtney and of course dating which leads to the 8 Simple Rules Rule 1 if you pull into my driveway and honk you d better be delivering a package because you re sure as heck not picking anything up If your little girl has moved out and a teenager has taken her place this book will help you do something you probably thought was not possible in your situation laugh *8 Simple Rules for Dating My Teenage Daughter* W.
