Misinformation and Society Yotam Ophir, 2025-06-25. A Comprehensive Guide to Understanding and Addressing Political and Scientific Misinformation. In our increasingly interconnected world, misinformation spreads faster than ever, influencing public opinion, political outcomes, and personal beliefs. In *Misinformation and Society*, Yotam Ophir takes an interdisciplinary approach to unravel the complexities of misinformation in its various forms. Offering invaluable insights into the history, psychology, and social impact of misinformation, this timely book provides you with the tools to critically analyze misinformation's origins, effects, and solutions. From understanding the cognitive processes that make individuals vulnerable to false information to exploring the societal impact of viral misinformation, *Misinformation and Society* delivers deep insights into one of the most pressing issues of our time. Drawing on research from fields such as communication, political science, and psychology, Ophir presents in-depth case studies of high-profile events such as Brexit and COVID-19, clearly demonstrating how misinformation has shaped public discourse. Through clear and engaging writing, the author presents evidence-based strategies to address misinformation in a variety of specific real-world contexts such as conspiracy theories, public health disinformation, fabricated political news, and more. Requiring no previous background in the subject, *Misinformation and Society* is essential reading for undergraduate and graduate students in Media Studies, Political Science, Communication, and Public Health, as well as journalists, educators, policymakers, and general readers interested in media literacy, information integrity, and the challenges posed by misinformation in the Digital Age.

AI Review of Products, Services, and Research, 1991-07. **The Impact of Artificial Intelligence on Digital Marketing. A Case of Nigerian SMEs** Adaobi Oti, 2025-01-08. Master's Thesis from the year 2024 in the subject Business economics. Offline Marketing and Online Marketing, grade 66. University of Plymouth, Plymouth Business School, course Business management, language English. abstract. This study was aimed at examining the impact of artificial intelligence (AI) on digital marketing of SMEs in Nigeria. The respondents of this study were SMEs owners in Lagos State, Nigeria. Quantitative and qualitative data was collected with the aid of questionnaire and interview section, respectively. Qualitative data was analyzed with thematic analysis while the quantitative data was analyzed with correlation and regression to test the hypothesis generated. This study revealed that the use of AI by SMEs in Nigeria had a positive impact on digital marketing and sales performance. It also identified the major

challenge associated with the application of AI in the digital marketing initiatives of Nigerian SMEs to be the lack of AI professionals to facilitate the integration of AI into their digital marketing initiatives *The American Produce Review* ,1913
