They challenge the reader's comprehension of the material they have just read while sending the reader back to the text for more careful attention to the evidence presented there. Research Projects are provided at the end of each chapter as well and give readers suggestions for projects that encourage deeper research and analysis. Educational Videos are offered in chapters through the use of a QR code that, when scanned, takes the student to an online video showing a moment in history, a speech, or an instructional video. This gives the readers additional content to supplement the text. A Series Glossary of Key Terms is included in the back matter, containing terminology used throughout the series. Words found here broaden the reader's knowledge and understanding of terms used in this field.
