

Guided Reading Activity

The Vietnam War, 1954–1975

Lesson 2 Vietnam Divides the Nation

Review Questions: Outlining

DIRECTIONS: Read the lesson and complete the outline below. Refer to your textbook to fill in the blanks.

- I. The Antiwar Movement Emerges**
- A. As the Vietnam War dragged on, support waned because many believed that the Johnson administration was not telling the truth about the war.
 - B. Many Americans believed a credibility gap existed because of inconsistencies between what was shown by media and what the administration said about the war.
 - C. Students and teachers at universities held teach-ins to explain why they opposed the war, while many protesters focused on what they thought was an unfair draft system. Most of the soldiers were working-class and minority youths.
 - D. As the war went on, many young men burned their draft cards while an estimated 500,000 refused to go.

Many soldiers argued that if they were old enough to fight, they were old enough to vote. The 26th amendment gave 18-year-olds the right to vote. Antiwar activists and peace activists supported the antiwar movement and opposed the war.

II. The Peace Year

- A. Senator J. William Fulbright asked an investigative committee and South Vietnam. This attack, called the Tet Offensive, was repelled. Americans, however, were stunned that an enemy army defeated such well-trained and well-equipped forces.
- On March 31, 1968, Johnson declared the nation with the announcement that he would not seek reelection.
- His successor picked the reform MLK Jr.
- Robert Kennedy who appeared to be in the lead for the Democratic Party nomination for president.
- in the primary election of 1968, Republican candidate Richard Nixon because he promised to bring peace and restore law and order to the country.
