man's life upon the earth is warfare. We are at war whether we choose to be at war or not. The Bible says that your life is warfare. You must fight the good fight and win the war. This new book on warfare is a must read for all leaders. **100% Answered Prayer** Dag Heward-Mills, 2008-05-30. Prayer is a privilege that God has given to His children. We can talk to our heavenly father directly and receive answers. The attitude of many Christians shows that they do not believe that God really answers prayer. But why pray if you will not get results? If you look closely at Scriptures which speak about prayer, you will discover that Jesus did say that we might possibly get an answer to our prayers. He said that we would get an answer. We do not worship the sun, the moon, or the rivers. We worship a living God who has the power to save and to deliver, says Dag Heward Mills. The first step is to pray yourself, and the next important step is to pray to the Father, because Jesus was directing us to pray to the heavenly father when he is no longer with his disciples. According to the writer, the third vital step is to use the name of Jesus, because God will respond when he hears the name of His son. In this book, Dag Heward Mills gives the most important steps when praying. **Sacripower** Dr. Benjamin Dadebo, 2012-05-17. All power belongs to God, and by His discretion, power may be given to one individual or the other for use. Even Satanic powers are subject to control by the Almighty God. The power to change circumstances belongs to God. This book will show you how, by humility and sacrifice, power can be made available for your use. Indeed, without sacrifice, genuine, sustainable power cannot be acquired. This book also describes how power for financial prosperity is released through tithing. In addition, the power over demonic control is only achievable through the synergistic effect of fasting and prayer. The whole purpose of our existence on Earth, therefore, is for a selection process for those to rule with Christ in His Kingdom. It is therefore important that you go through trials and afflictions which together work in you to break you down, converting pride into humility, generating patience, temperance, enhanced faith, trust in God, and true love. At the end of it, power is released into your hands, which enables you to acquire a position on a throne with Christ Jesus to rule over nations or tribes, depending on the level set for you, according to the original purpose of God for your life. **Those Who are Dangerous Sons** Dag Heward-Mills, 2015-08. A Father Is a Rare Gift. There will be many people who will make an input into your life. Instructors and teachers abound, but these are different from fathers. A father's input is comprehensive. A father gives you a complete package that goes further than a good teaching. Find out more about spiritual fatherhood in this new release by Dag Heward Mills. **The Art of Hearing** Dag Heward-Mills, 2014-08. Many Christians have struggled with questions like, "How can I know the will of God for my life? What is God saying about this particular situation I am passing through? What is the right decision to make?" This exceptional book by Dag Heward Mills will teach you about the different kinds of voices that influence our decisions, the different methods by which God speaks.
