Porter,2011 All the hard questions about human action are about what to include in a story what can be left out and how to characterize what gets included A narrative selects from all the world s motions which ones are part of or relevant to an act and so narratives give us what narratives have already shaped the relation is circular Many narratives can be told of an act not all consistent Some features of human action events off stage determine what s happening on stage many actions pass through motions in view an act can be changed after the fact action presupposes language what an act is can be highly ambiguous we judge acts and narratives because we have a stake in them *The Chronicle of Charles Weatherby* Bill Grant,2012-12-01 The Chronicle of Charles Weatherby is set in the early 1980s and tells the tale of Charles who drifts into a job in the City for which he is wholly unsuited and failing to read the politics at the long established Stones Co finds himself peremptorily fired Unemployed and rusticated Charles agrees to go to India on an errand for a friend of his wife s family Here his grip on reality slips and he believes that someone is trying to kill him Eventually he manages to get back to England and is reunited with his wife Life settles down but it isn t long before his old employer is in the news for all the wrong reasons Charles feels that something

that he has done in India may be to blame but he fails to take into account the Machiavellian machinations of one of his former colleagues This person offers him a job but he ends up buying a bookshop made possible by the deviousness of the person who sent him to India With his career resolved other aspects of Charles life start to resolve themselves and he discovers some startling information about his wife s family Ironically it is this that has lead indirectly to his transformation from failed yuppie into contented bookshop proprietor It would be nice to say that Charles enemies are confounded and his friends prosper but life is rarely as clean cut as that The Chronicle of Charles Weatherby is a work of humorous fiction that will appeal to fans of Evelyn Waugh William Trevor and William Boyd all of whom have inspired author Bill Everybody Loves Charles the Global Chinese Science Fiction Nebula Award Committee, Everybody Loves Charles is one of the selected works in the Nebula Award winning collection The content primarily includes Everybody Loves Charles by Baoshu Jinling Twelve Districts by Gui Gongzi I tell my grandfather s story by AQue among other works The titular novella Everyone Loves Charles tells the story of a young man named Zhiren who becomes increasingly addicted to his virtual identity as Charles struggling between reality and the virtual world
