Reading Comprehension

Read the text and answer the questions.

Millie's Hair Style

Millie had a unique hair style. Everywhere she went, people stopped and looked at her. Millie had long pink hair that was covered in tiny spiders! It was the most bizarre hair style in the world. The spiders had been living on top of her head for years. Their parents, grandparents and great grandparents had lived in her hair. Millie was proud of her hair style and changed the way she had her hair every day. Some days she had the spiders dangling from the ends of her hair, and other days she sat the spiders on top of her bun. It was unique!

1. What does unique mean?

2. What do you think other people thought of Millie's hair?

3. How long had the spiders been living in her hair?

4. How did Millie feel about her own hair style?

5. What do you think about Millie's hair style?

Learning and Leading with Technology, 2004 **Khaled Hosseini** Ayse Gökce, 2011 Seminar paper from the year 2011 in the subject English Pedagogy Didactics Literature Studies grade 1 7 Friedrich Alexander University Erlangen Nuremberg Lehrstuhl Fremdsprachendidaktik course Seminar Young Adult Fiction language English abstract Teaching English as a foreign language means a great challenge which would certainly be answered by all English teachers in the affirmative Today every school in Germany offers English as school subject even the primary schools Consequently it must be put great emphasis on teaching it accurately by taking into consideration any aspect of English language acquisition when learning it for example the acquisition of a distinctive vocabulary the ability to use grammar rules correctly the ability to spell correctly the ability to understand what is been said when native speakers talk in English which we call listening comprehension Another very important part of learning English as a foreign language is undisputedly reading comprehension The ability to read out correctly to understand what is been read and to be able to work with a text effectively is not only a competence that should be concentrated on in the foreign language but also in the mother tongue The PISA Study is a perfect proof of this which will be mentioned later on In this paper I will try to accentuate the importance and significance of reading in the English class In order to illustrate this I will introduce the novel A Thousand Splendid Suns by Khaled Hosseini an American author and doctor with Afghan origins and use it for the elaboration of the importance of reading activities in the English class Initially I will focus on the didactic analysis which includes the reference to the syllabus The syllabus is of course the signpost in terms of guidelines when planning the lessons choosing age appropriate media and methods What role does reading play in this context What is said in the syllabus when it comes to reading The next

Multilingual Communications & Technology, 1996 **Basic Communication Skills for Technology** Andrea J. Rutherford, 2001 Rutherford presents clear simplified explanations of the practical applications of writing in vocational technical fields The motivational reading passages are designed to stimulate readers interest in vocabulary and introduce traditional and applied writing assignments The text provides accessible explanations and exercises in language and style writing elements forms of technical communications grammar units and mechanics units as well as job search techniques For

individuals needing an introduction to writing for technical vocational fields
